The Commission accepts only the age of a candidate as recorded in the School Final or equivalent certificate.

In the case of a female candidate whose age is not recorded in the School Final or equivalent certificate, any of the following evidences of the age is accepted by the Commission:

(1) A certificate from the Headmistress of the school, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a Gazetted Officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 (Rs. 1.25 for candidates belonging to Scheduled Castes or Scheduled Tribes) in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Orders, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal".

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

Except under certain special circumstances, fees paid with the applications are not refunded.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1969.

A candidate claiming such exemption must furnish besides evidence required under paragraph (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he/she is not in a position to pay the prescribed fee.

For a Gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by the candidate will be refunded afterwards.

For a non-Gazetted post such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Castes or Scheduled Tribes must furnish with his/her application a certificate in original from a Gazetted Officer or from a Member of Parliament or State Legislature belonging to the Scheduled Castes or Scheduled Tribes specifying the particular caste or tribe to which the candidate belongs.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not, however, be considered if the original applications do not reach the Commission's office within a fortnight from the closing d te. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

Short title. 1. This Act may be called the Calcutta Municipal (Amendment) Act, 1969.

Amendment of section 52 of West Ben. Act XXXIII of 1951. 2. After sub-section (*3*) of section 52 of the Calcutta Municipal Act, 1951 (hereinafter referred to as the said Act), the following sub-section shall be inserted, namely:—

"(*3A*) (*i*) Notwithstanding anything contained in sub-section (*3*), if it appears to the State Government that there is a substantial discrepancy between the electoral roll of a constituency as republished under sub-section (*3*) and the electoral roll for the election of members of the West Bengal Legislative Assembly relating to the area comprised in that constituency, as in force on the date of the republication, the State Government may, by order, direct that the electoral roll so republished shall be revised by entertaining claims and objections preferred in respect of it in the manner provided in the rules framed under clause (*e*) of sub-section (2) within such time as the State Government may specify in its order.

3. After sub-section (*2*) of section 165 of the said Act, the following sub-section shall be added, namely:—

"(*3*) Notwithstanding anything to the contrary contained in sub-section (*1*) or in any other provisions of this Act, the consolidated rate that may be imposed in respect of a *bustee* shall not exceed eighteen *per cent.* on the annual valuation of the *bustee* determined under this Chapter.".

4. (*1*) The Calcutta Municipal (Amendment) Ordinance, 1969, is hereby repealed. West Ben. Ord. I of 1969.

STATEMENT OF OBJECTS AND REASONS.

The State Government, by a notification dated the 22nd January, 1969, fixed the 23rd March, 1969 for the election of Councillors of the Calcutta Corporation. The preliminary electoral roll for this election was published on the 10th January, 1969, inviting claims and objections to the roll. After disposal of the claims and objections the roll was republished on the 31st January, 1969. But a large number of persons having failed to prefer claims and objections by the due date, a substantial discrepancy arose between the republished electoral roll of the Calcutta Corporation and the corresponding electoral roll for the election of members of the West Bengal Legislative Assembly as in force on the date of the republication of the electoral roll of the Calcutta Corporation. It was, therefore, thought proper to provide a further opportunity for the filing of claims and objections to the republished electoral roll of the Calcutta Corporation so that the discrepancy might be eliminated as far as practicable. It was felt that in such a situation Government should have the power to direct that the electoral roll of the Calcutta Corporation, as re-published, should be revised by entertaining claims and objections preferred in respect of it within such further time as Government might consider adequate.

2. It was also considered just and proper that the Calcutta Municipal Act, 1951, should be suitably amended so that consolidated rate that might be imposed by the Calcutta Corporation in respect of a *bustee* shall not exceed 18 per cent. of the annual valuation as determined under the said Act. This will provide relief to the owners of *bustee* land and the huts standing thereon.

3. As both the matters were urgent and the Legislature was not in session, Calcutta Municipal (Amendment) Ordinance, 1969, was promulgated by the Governor on the 1st March, 1969.

4. The present Bill has been framed with the object of replacing the provisions of the said Ordinance.

61.	Gourhati Ferry.	Ferry over the river Hooghly between Garulia and Gourhati.	Ferry.".

STATEMENT OF OBJECTS AND REASONS.

According to section 4(2) of the Chandernagore Municipal Act, 1955, the properties mentioned in Schedule II thereof, along with all rights therein, used, enjoyed or possessed by the Administrator of Chandernagore immediately before the date of commencement of the Act, i.e., 1st September, 1955, vested in the Municipal Corporation of Chandernagore on and from the said date. The three ferries mentioned in the Bill, should have been included in the said Schedule II, when the Chandernagore Municipal Act, 1955, was enacted; but due to oversight these were not so included. It is now necessary to include these by amendment of Schedule II with retrospective effect. The Bill seeks to make this amendment.

NOTIFICATION

No. 478L.—17th March, 1969.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons and the Financial Memorandum which accompany it, in the *Calcutta Gazette*, the Bill, the Statement of Objects and Reasons and the Financial Memorandum are accordingly hereby published for general information:—

BILL NO. 9 OF 1969

THE WEST BENGAL SALARIES AND ALLOWANCES (AMENDMENT) BILL, 1969.

A

BILL

to amend the West Bengal Salaries and Allowances Act, 1952.

WHEREAS it is expedient to amend the West Bengal Salaries and Allowances Act, 1952, for the purposes and in the manner hereinafter appearing; West Ben. Act V of 1952.

It is hereby enacted in the Twentieth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Salaries and Allowances (Amendment) Act, 1969.

(*2*) It shall be deemed to have come into force on the 25th day of February, 1969.

Amendment of section 7 of West Ben. Act V of 1952.

2. In section 7 of the West Bengal Salaries and Allowances Act, 1952 (hereinafter referred to as the said Act), for the words "shall be entitled to travelling and daily allowances while touring on public business at such rates and upon such conditions as the State Government may by rules determine", the words "shall, at such rates and upon such conditions as the State Government may by rules determine, be entitled to travelling and daily allowances while touring on public business and to reimbursement for medical expenses" shall be substituted.

The West Bengal Salaries and Allowances (Amendment) Bill, 1969.

(Clauses 3, 4.)

Amendment of section 8.

3. In section 8 of the said Act, for the words "a Deputy Minister", the words "a Minister of State" shall be substituted.

Insertion of new section 8A.

4. After section 8 of the said Act, the following section shall be inserted, namely:—

"Discretionary drawing of reduced emoluments.

8A. Any person to whom the provisions of this Act apply may, in his discretion, draw a lesser salary than that provided for him in this Act and may also draw any allowance to which he is entitled under this Act at a rate lesser than the rate provided for him under this Act.".

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Salaries and Allowances Act, 1952 contains no clear provision enabling a member of the Council of Ministers to recover the cost of medical treatment incurred by him in the course of his illness. For obvious reasons it is proposed to insert such a provision in the Act.

2. It is also proposed that the provisions of the Act shall apply in relation to the Deputy Speaker of the Legislative Assembly and the Deputy Chairman of the Legislative Council as they apply in relation to a Minister of State because the Deputy Speaker and the Deputy Chairman rank immediately after the Speaker and the Chairman respectively and should accordingly be treated on the same footing as a Minister of State who ranks immediately after a Minister.

3. It is further proposed to insert an enabling provision in the Act whereby any person to whom the provisions of the Act apply may, in his discretion, draw a salary or allowance at a lesser rate than is provided for him under the Act.

4. The West Bengal Salaries and Allowances (Amendment) Bill, 1969, has been drafted with the aforesaid objects in view.

JATIN CHAKRAVARTY,
Member-in-charge.

CALCUTTA,
The 14th March, 1969.

FINANCIAL MEMORANDUM.

On the assumption that the Deputy Speaker and the Deputy Chairman may like to draw their salaries and allowances at the full rates which will be admissible to them if the Bill is approved, the additional financial implication will be of the order of Rs.9,600 only per year. There will, of course, be a little increase in the event of a Government motor car being availed of by them in lieu of the conveyance allowance.

In view of the provision made in the Bill that the amounts actually drawn by way of salaries and allowances may be less than the amounts provided in the Act, the financial implication of the measure may be reduced to some extent.

As regards the cost of medical treatment to be reimbursed in the event of illness, it is not possible to indicate even any approximate financial implication because this will necessarily be contingent on a person actually falling ill which cannot be anticipated.

(2) in Serial No. 3, for the item "(*a*) in respect of whose income, income-tax is payable" in column 2 under the heading "Classes", and the corresponding entry "10" in column 3 under the heading "Maximum half-yearly tax in rupees", the following shall be substituted, namely:—

"(*a*) in respect of whose income, income-tax is payable—

(*i*) when the income exceeds Rs. 10,000 — 20

(*ii*) when the income does not exceed Rs. 10,000 — 10".

STATEMENT OF OBJECTS AND REASONS.

In view of sub-section (*1*) of section 23 of the Bengal Municipal Act, a person is not qualified to be elected as a Commissioner of a municipality if he is not entitled to vote at such an election. According to sub-section (*3*) of the same section a person confined in prison or in lawful custody of the police is not entitled to vote at a municipal election. It is proposed to amend sub-section (*1*) of section 23 so that a person confined in prison or in lawful custody of the police may stand as a candidate for election as a Commissioner although he may be debarred from voting.

2. The municipalities at present are in great financial difficulties, and it is necessary to augment their resources. It is accordingly proposed that a moderate fee for grant of permission to erect buildings be levied, that certain concessions hitherto enjoyed by owners of big holdings and big industrialists be withdrawn, and that plant and machinery as detailed in the new Schedule IIIA be taken into acount for assessing rateable value of the holdings, on the line of similar provisions in the Calcutta Municipal Act, 1951.

3. It is also proposed to raise the exemption limit of the annual value of the holdings for imposition of holding rate in section 124(*3*) of the Act to afford some relief to the poorer people.

4. Existing provisions of sections 258, 259 and 263 of the Act empower Commissioners to require septic tank latrines where valuation of the land and building exceeds a sum to be fixed by the Commissioners. It is proposed to do away with the limitation regarding valuation so that septic tank latrines may be required to be provided for all lands and buildings.

5. The Bill seeks to make the above provisions.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri C. B. GHOSH, M.Sc., B.L., Judge,
Third Industrial Tribunal.

For the Union : Shri S. N. Banerjee, Advocate.
For the Company : None.

AWARD

By the Government of West Bengal, Labour Department, order No. 5232-I.R./IR/10L-348(A)/67, dated the 30th September 1967, an industrial dispute existing between Messrs. Macadams of India (P) Ltd., P-16, Block-B, Lake Gardens, Calcutta-45 and their workmen represented by the West Bengal Engineering Workers' Union, 48 Dharamtalla Street, Calcutta-13, was referred to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication in respect of the following issues :

Issues

1. Whether termination of services of Shri Gobardhan Bhandari is justified ? What relief, if any, is he entitled to ?
2. Whether the dismissal of Shri Gorakh Routh is justified ? What relief, if any, is he entitled to ?
3. Whether the refusal of employment to the following workmen is justified ? What relief, if any, are they entitled to ? Sarvashri (a) Ramadhar Harijan, (b)

Kessoprosad Yadav, (c) Abani Kumar Biswas, (d) Chandrabali Singh, (e) Dhananjoy Mondal, (f) Sheolal Pasi and (g) Lal Pasi.

Usual notices were issued from this Tribunal and served on the Union as well as the Company, after receipt of the order of reference. It appears that the notice issued in the name of the Company was received by the Liquidator, Shri S. K. Mukherji of behalf of the Company, which in the meantime, went into liquidation.

The Union appeared and filed its written statement on 20th November 1967. The Liquidator of the Company appeared on 30th January 1968. On 24th July 1968 the General Secretary of the Union appeared and filed a petition for making the Liquidator a party to this proceeding. On 30th August 1968 Shri S. K. Mukherji, Liquidator, was present in person before this Tribunal, and on hearing him as well as Shri S. N. Banerji, Advocate, for the Union, the Liquidator was made a party to this proceeding. Then on the prayer of the liquidator, several adjournments were given for filing written statement by him. But he did not take any steps since 24th October 1968, and the case was then fixed for today (12th February 1969) for ex-parte hearing. As the liquidator subsequently did not take any interest in this matter and did not even take any steps in this proceeding, the case has thus been taken up today (12th February 1969) for ex-parte hearing.

Coming to issue No. 1, we find that Shri Gobardhan Bhandari (P.W. 2), an employee of this Company, was dismissed from his services by the Company by the letter, Ext. 3, dated 7th April 1966, though it appears from Exts. 4 series, that Shri Gobardhan Bhandari was actually granted medical leave continuously from 9th March 1966 till 10th April 1966 by the E.S.I. doctor. It is proved by P.W. 2 Shri Gobardhan Bhandari himself that he was never charge-sheeted and that during his sanctioned medical leave, he was dismissed by the Company on 7th April 1966. The Company, I hold, has acted illegally and malafide. The Company has wrongly dismissed Shri Gobardhan Bhandari by service of the letter, Ext. 3, dated 7th April 1966, and I hold as such. P.W. 2 Shri Gobardhan Bhandari is thus to be reinstated in service; but his prayer for back wages cannot be allowed as he admitted that he has been temporarily working here and there. Issue No. 1 is thus disposed of.

Coming to issue No. 2, we find that Shri Gorakh Routh was dismissed by the authorities by the service of the letter, Ext. 5, dated 27th May 1966. Prior to this letter of dismissal, a charge-sheet Ext. 6, dated 21st May 1966, alleging to be durwan's on duty in place of one Rajeswar Dutt Tewari without obtaining prior permission from the office for such change in duty hours. P.W. 3 Shri Gorakh Routh denied the allegations in the charge-sheet as not true. He also on 24th May 1966 submitted an explanation to the charge-sheet, copy being Ext. 7. Now, it is proved by P.W. 3 that after this explanation, no domestic enquiry was held against P.W. 3 on the basis of the allegation as per the charge-sheet Ext. 6. So, I hold that the dismissal of P.W. 3 Gorakh Routh by service of the letter, Ext. 5, dated 21st May 1966, with immediate effect, is illegal. The Company has acted illegally by dismissing P.W. 3 Shri Gorakh Routh. Accordingly, I hold that the prayer of this workman Shri Gorakh Routh for reinstatement in service should be allowed; but his prayer for back wages should be rejected on the ground of his admission that after his dismissal he worked occasionally, though on temporary basis.

Lastly, we come to issue No. 3, which covers refusal of employment in respect of 7 admitted employees of the Company. Of them, it is in evidence that Kessoprosed Yadav, Chandrabali Singh and Lal Pasi are at present in their respective native villages in U. P. Other employees, being Ramadhar Harijan, Abani Kumar Biswas, Dhananjoy Mondal and Sheolal Pasi have been examined before me as P.Ws. 4 to 7 rspectively. It is proved by them as well as P.W. 1, the Assistant Secretary of the Union and also Exts. 10 to 28 that these five employees who are covered under this issue No. 3, were refused employment by the Company authorities on 30th May 1966, 16th June 1966, 29th June 1966, 20th July 1966, 16th August 1966, 11th August 1966 and 11th August 1966 respectively. It is proved on the evidences on record that the Company authorities without any justification and illegally refused the aforesaid seven employees of the Company on the aforesaid dates respectively. Accordingly I hold that Ramadhar Harijan, Kessoprosad Yadav, Abani Kumar Biswas, Chandrabali Singh, Dhananjoy Mondal, Sheolal Pasi and Lal Pasi are entitled to orders of reinstatement. All of them are also entitled to back wages excepting Shri Dhananjoy Mondal who admittedly worked somewhere after his refusal of employment by the Company. Issue No. 3 is thus disposed of.

In the result, I hold that the 9 employees being Shri Gobardhan Bhandari, Shri Gorakh Routh, Ramadhar Harijan, Kessoprosad Yadav, Abani Kumar Biswas, Chandrabali Singh, Dhananjoy Mondal, Sheolal Pasi and Lal Pasi to be reinstated in service by the Company authorities within one month from the date of publication of this award in the "Calcutta Gazette". Of them Gobardhan Bhandari, Gorakh Routh and Dhananjoy Mondal are not entitled to any back wages; but other employees, being Ramadhar Harijan, Kesso Prosad Yadav, Abani Kumar Biswas, Chandrabali Singh, Sheolal Pasi and Lal Pasi are also entitled to their back wages. The Company to pay back wages of the aforesaid six workers within 2 months from the date of publication of this award in the "Calcutta Gazette".

This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Card Board Box Mfg. Co., 38 Colootala Street, Calcutta-7 and their workmen represented by West Bengal Card Board & Printing Mazdoor Union, 33 Manicktola Main Road, Calcutta-11. (Case No. 161 of 1968.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri J. R. Jain, Labour Adviser of the Company.

Present for the Union: Shri Anil Das Choudhury, Advocate.

By the Government of West Bengal, Labour Department, order No. 2541-I.R./IR/11L-49/68, dated the 30th April 1968, this industrial dispute between Messrs. Card Board Box Mfg. Co. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issue:—

Issue

Whether the workmen are entitled to any dearness allowance on and from 17th April 1967?

Both the parties made appearance and filed their respective written statement. The Company takes a preliminary objection as to the maintainability of the reference. It is submitted on behalf of the Company that section 18(d) of the Industrial Disputes Act is a bar to this reference. It is, however, contended by the representative of the Union that the Company is estopped from challenging the validity of the order of reference as it has been made under section 10(2) of the Industrial Disputes Act. It appears that this reference was made by the Government on consent of both the parties. So the question has arisen as to whether the Company is competent to challenge the validity of the reference. On this point the learned representative of the Company, refers to the case reported in L.L.J., Vol. 1, 1961, page 130. It has been held in that case that it could not be contended that by agreeing to a joint application under section 10(2) of the Industrial Disputes Act, the employer waives the right to raise a preliminary objection as to the maintainability of the reference on grounds that what is referred is not industrial dispute or that there is no industrial dispute in existence or that the concerned employee is not a "workman" as defined in section 2(s) of the Act. It has been further held in that case that an application under section 10(2) of the Act could not deprive a party of the right to raise all preliminary objections which it would have a right to raise if the reference were under section 10(1)(d) of the Act. So it appears that the Company is quite competent to question the maintainability of the reference. The question of maintainability of the reference must therefore be gone into.

It is now an admitted fact that in 1966 there were two Unions in respect of the workmen of this Company. Some of the workmen were members of the Card Board Box Manufacturing Employees' Union, and the rest were members of the West Bengal Card Board Printing Majdoor Union. Ext. A(2) shows that on 10th January 1966 a settlement was reached at between this Company and their workmen represented by the Card Board Mfg. Employees' Union in presence of the Conciliation Officer. The term No. 7 of the settlement runs as follows:—

> "That this settles the dispute fully and finally. This settlement will be binding on the parties for a period of three years during which there will be no financial demands from the workmen except that of Bonus".

So according to the settlement the workmen are not entitled to raise a dispute involving financial commitment on the part of the Company. It is submitted on behalf of the West Bengal Card Board & Printing Majdoor Union that the workmen who were members of this Union, are not bound by the settlement, dated 10th January 1966. It is also the case of this Union that only a few of the workers of this Company are members of the Card Board Box Mfg. Employees' Union and, as such, all the workmen of the Company are not bound by the settlement. From the evidence on record it is not possible to say whether this present Union or the West Bengal Card Board & Printing Majdoor Union commands the majority of workmen of the Company. But the fact remains that the workmen were represented by the Employees' Union at the time of settlement, dated 10th January 1966. Section 18(3)

of the Industrial Disputes Act says that a settlement arrived at in course of conciliation proceedings shall be binding on all parties to the dispute and on other parties as well who appear in the proceedings as parties to the dispute. Section 18(3)(d) further says that such settlement would be binding on all persons who were employed in the establishment or part of the establishment, as the case may be, to which the dispute relates on the date of the dispute and all persons who subsequently became employed in that establishment or part. With reference to section 18(3)(d) it has been held in several cases by Their Lordships that all workmen would be liable under award or settlement, whether they were members or not. In this connection the case reported in 1956, L.L.J. Vol. II, p. 60 may be referred to. So it does not matter as to whether the Card Board Mfg. Employees' Union commanded the majority of workmen or not at the time of the settlement arrived at on 10th January 1966. The fact remains that such a settlement was made by a Union on behalf of the workmen of the Company. So I find that the settlement is binding on all the workmen of the Company. Consequently it must be held that the workmen are not entitled to raise any demand involving financial liability on the part of the Company for 3 years with effect from 10th January 1966. It is submitted on behalf of the West Bengal Card Board & Printing Majdoor Union that the Card Board Box Mfg. Employees' Union consisted of pet workers only of the Company. But this is a mere allegation, and a mere allegation is not proof. It has not been proved in this case that the members of the Employees' Union were pet workers of the Company. It appears that in the settlement the scales of pay were fixed a little bit below the minimum wages recommended by the Minimum Wages Committee. Ext. 1 is a copy of the "Calcutta Gazette", dated the 21st October 1965, in which the minimum wages fixed by the Minimum Wages Committee were published. The settlement shows that for the unskilled workers the consolidated wages were fixed at Rs. 70 per month whereas Ext. 1 shows that the consolidated minimum wages fixed by the Minimum Wages Committee for the unskilled workers were Rs. 77.20 paise per month. But from this fact alone it cannot be said that some fraud was practised on the workers at the time of the settlement. It may be that on consideration of the financial condition of the Company the workmen conceded to accept a little lesser amount than the minimum wages fixed by the Minimum Wages Committee. The fact remains that a settlement was arrived at on 10th January 1966, and that the settlement was arrived at by the endeavours of the employers and the Employees' Union, representing the workmen, in presence of the Conciliation Officer. The settlement was signed by the Conciliation Officer too. So it cannot be said that some fraud was practised in arriving at the settlement. The settlement is binding for 3 years with effect from 10th January 1966.

The present reference was made before the termination of the settlement. So it must be held that the reference is not maintainable.

The reference is, accordingly, rejected.

AWARD

On the following issue there having centered an industrial dispute between Messrs. Bell's Asbestos & Engineering (India) Pvt. Ltd., 2 Transport Depot Road, Calcutta-27 (Head Office 24 Chittaranjan Avenue, Calcutta) (hereinafter referred to as the Company) and their workmen represented by the Kidderpore Engineering Sramik Union, 129A Circular Garden Reach Road, Calcutta-23 (hereinafter referred to as the Union), the Governor, under Government of West Bengal, Labour Department, order No. 5962-I.R./IR/10L-16/67, dated Calcutta, the 15th November 1967, was pleased to refer the said industrial dispute to this Seventh Industrial Tribunal for adjudication.

Issue

Whether the discharge of Sarvashri Bhagedu Jadav, Hardeo Jadav and Joypal Jadav is justified? To what relief, if any, are they entitled?

On receipt of the order of reference, this case was registered on 2nd/5th December 1967 and the parties were called to appear before the Tribunal in the usual manner. Further, the Tribunal invited written statements from the parties. After taking one adjournment the Union filed its written statement and the Company also filed its written statement in reply. Thereafter various dates were fixed for taking various steps in this case. On the first date fixed for hearing of the case, the Union did not appear and the case was then fixed for hearing ex-parte. Thereafter, the Union filed a petition and prayed for time. The Tribunal granted time, but ordered the Union to pay cost to the Company. The Union again prayed for time and the Tribunal granted time on payment of further cost to the Company. But ultimately the Union did not appear to contest the case and the case was heard ex-parte on 17th January 1969. Stated in short, the Union's case is that the three workmen named in the order of reference were employees of the Company and were wrongfully dismissed along with other workmen. The said three workmen were thrown out of employment without any notice or charge-sheet on 22nd March 1965 when they, all of them durwans, went to resume their duties after leave period. The Company told them that they were no longer required and asked them to take their dues in full and final settlement. The Union then protested against this action of the Company but without success. After that, the dispute was referred to the Labour Directorate, but it produced no result. Hence, a reference was made for adjudication to the Tribunal. The Union submitted that the workmen were not guilty of any lapses and the action taken by the Company was wholly illegal, malafide and against all principles of natural justice. The Company acted with the motive to victimise the workmen for their association with the Union. The Union prayed that the Tribunal should direct the Company to reinstate the dismissed workmen with full compensation for the period of forced unemployment.

The Company raised some preliminary objections as usual contending that the dispute was not an industrial dispute and that the reference was not maintainable in law.

On the question of merit, it is stated that the said durwans were probationers appointed by the Company and on the expiry of the period of their probation, their services were terminated by the Company. The three workmen were involved in various subversive activities stated in the charge-sheet of the Company and the question of their delinquency was not of any relevance because on the date of delinquency their services stood terminated. The Company contended that it acted legally and in a bona fide manner in terminating the probationery employment of the said three workmen and it was justified in doing so. The Company prayed that the claim raised by the Union should, in the circumstances of the case, be rejected.

I have already stated above that the case was heard exparte. The Company examined one witness, namely Shri Rugson Eswant. The evidence given by him being short can be given here in extenso :

"I am a Personal Assistant in Bell's Asbestos & Engineering Co. Bhagedu Jadav, Hardeo Jadav and Joypal Jadav were appointed as probationers by the Company. These are the copies of the appointment letters given to the workmen by the Company. Marked [A-A(2)]. On completion of the probationery period their services were terminated. These are the letters of termination of services (Marked Exts. B, B-1, B-2). The workmen did not accept the letter. Montu Bose, Security Assistant, has made endorsement on that letter. These are the endorsements (Marked Exts. C, C1, C2). Our workmen are not members of Khidderpore Eng. Sramik Union.

To Tribunal :—

There is no Union which functions among our workmen"

The documents exhibited by the Company have been marked A series, B series and C series. Exts. A, A-1, A-2 are copies of letters giving appointment to Shri Bhagedu Jadav, Shri Hardeo Jadav and Shri Joypal Jadav. The terms and conditions of the employment are mentioned in Ext. A series. The terms and conditions are actually the same. The first condition is "This appointment shall take effect from 1st September 1964". Condition No. 2 says "you will be on probation for six months and the Company has the right to terminate your services during the period of probation by giving you twenty-four hours' notice in writting." Ext. B series are the letters of termination of services given to the concerned workmen. The contents are same. Therein it has been stated "This is to inform you that you were appointed as a probationer Durwan for 6 months with effect from 1st September 1964 and the probationery period of your employment is to expire with the end of this month.

We have watched your performances during this period and we regret to note that the same is not up to the required standard.

Accordingly, we are unable to retain you in your present employment and accordingly, we inform you that your services shall stand terminated for your unsatisfactory work with effect from 1st March 1965. You are requested to collect your dues immediately.

Ext. C series shows that the contents of the letters terminating the services of the workmen were explained to them and they refused to accept the letters.

The evidence on record clearly shows that the dismissed workmen were taken in service by the Company as probationers for a period of 6 months. Under the terms and conditions of service the Company retained the right to terminate their services. It appears from Ext. B series that on the expiry of 6 months i.e. the probationery period, services of the workmen were terminated by the Company. The learned lawyer appearing on behalf of the Company refers me to a decision given by Justice B. N. Banerjee of Calcutta High Court reported in F.I.R., Vol. 5 1962, page 275. There Justice Banerjee has observed :

> "A probationer has no right to be confirmed in the post and the employer is not liable to give any reason as to why he does not confirm the probationer. By trying to give reason as to why the respondent No. 3 was not made permanent but discharged from service, the petitioner Company resorted to an overdoing. By emphasising on that aspect of the matter, the Tribunal proceeded on irrelevent considerations."

The trend of the judgment clearly indicates that a probationer has no right to be confirmed automatically and the question whether a probationer worked satisfactorily or not rests with the employer, and the employer is not bound to give reasons for not confirming the probationer. A probationer can be discharged without being given or assigned any reason. The learned lawyer for the Company submits that in the present case the three workmen were employed as probationers for a period of 6 months and when their probationery period was over the Company exercised its discretion and being of the opinion that their work was unsatisfactory, terminated their services and so they cannot have any remedy before this Tribunal. In my opinion, the contention raised by the Company appears to be an acceptable one specially as I find the submissions backed by a decision given by Justice Banerjee. Therefore, I answer the first part of the issue in the affirmative and hold that the workmen are not entitled to any relief.

This is my award. Usual number of copies of this award be sent to the State Government for taking necessary action.

Mahakali Oil Mill, 113 Belgachia Road, Calcutta-4 and their workmen named therein, C/o Shri Mani Mukherjee, General Secretary, Oil Mill Gach Cutta Mazdoor Union, 33 Manicktala Main Road, Calcutta-54, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Second Industrial Tribunal ;

And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute ;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Mahakali Oil Mills, 113 Belgachia Road, Calcutta-4 and their workmen named in the issue below, C/o Shri Mani Mukherjee, General Secretary, Oil Mill Gach Cutta Mazdoor Union, 33 Manicktala Main Road, Calcutta-54. (Case No. VIII-189 of 1968.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri H. N. SEN, Judge,
Second Industrial Tribunal.

Government of West Bengal, Labour Department, by its order No. 3086-I.R./IR/15L-8/68, dated Calcutta, the 25th May 1968, referred an industrial dispute between Messrs. Mahakali Oil Mill and their workmen mentioned in the issue, C/o Shri Mani Mukherjee, General Secretary, Oil Mill Gach Cutta Mazdoor Union, to this Union for adjudication on the following :

Issue

Whether the refusal of employment to Sarbasree (1) M. M. Pal, (2) P. Sadhu Khan, (3) S. Keot, (4) R. L. Keot, (5) D. Kurmi, (6) R. Kurmi, (7) Shri Ram Keot, (8) B. Barelli, (9) Ram Pal, (10) Deotadin Kurmi, (11) J. Kurmi and (12) Pardeshi Kurmi was justified? What relief, if any, are the workmen entitled to ?

Upon receipt of the reference notices were issued to the parties calling upon them to enter appearance and file written statements. The Secretary of the Union filed letter of authority and written statement concerning 11 out of 12 workmen mentioned in the order of reference. Inspite of repeated opportunities the Secretary of the Union did not file requisite letter of authority for the remaining one workman. Neither did he file written statement for him. The Company after certain adjournments filed written statement. On the first day of hearing i.e. 4th February 1969 the Company was present but none for the Union or for the workmen turned up. The Tribunal for the ends of justice *suo motu* adjourned the case to 12th February 1969 but even on that adjourned date of hearing none of the workmen nor anybody on behalf of the Union representing them turned up to press their case under the reference.

The Tribunal therefore has reasons to presume that the Union or, for the matter of that, the workmen mentioned in the order of reference are no longer interested in the reference. Being so, the Tribunal sees no other alternative than to pass a 'no dispute' award. The reference is accordingly disposed of by passing a 'no dispute' award in the case.

Short Recital of the case.
The workmen submitted a demand claiming revision of the existing efficiency/production bonus schemes in various departments. After negotiations between the parties, a settlement has been reached on the following terms :

(1) It is agreed between the parties that in calculating the percentage of attendance, for the purpose of efficiency/production bonus a worker will be treated as present when he will be on statutory leave (Factory Act Leave) and on four days other leave under the Award. This benefit is given as a special case without creating any precedent. Absence from work on Festival Holiday, on sick leave or for any other reasons will not be counted towards the required attendance for calculating the efficiency/production bonus.

(2) It is agreed between the parties that with regard to the efficiency/production bonus scheme in the Hand-blowing Plant of the Glass Factory that the clause for 10 per cent. additional efficiency bonus for full attendance over and above the normal amount is hereby discontinued. Instead the said 10 per cent. attendance bonus paid for 100 per cent. attendance in the Hand-blowing Plant of the Glass Factory will be absorbed in the existing hourly rate in the present scheme. All other terms and conditions in operating this scheme will remain the same.

(3) It is agreed between the parties, that all other terms and conditions in operating the efficiency/production bonus schemes in various departments will remain the same.

(4) It is agreed between the parties that following this settlement sincere efforts will be made to settle outstanding demands, if any, through bi-partite discussions.

(5) It is agreed between the parties that the proposed adjustments in some of the existing efficiency/production bonus scheme will be made accordingly and all calculation to be made in new paise per hour.

(6) It is agreed between the parties that whenever new Bonus Schemes or any changes due to introduction of new machinery, methods or speed increase of machines, in the existing efficiency bonus schemes are to be made, such introduction will be done according to past practice after negotiation with the representatives of the concerned workmen.

(7) The benefits under this Settlement will be effective from 1st January 1969.

(8) It is agreed between the parties that the dispute referred to the Fifth Industrial Tribunal by order of the Reference No. 5396-I.R./IR/10L-106/67, dated the 19th October 1967, is hereby fully settled and concluded and a 'no-dispute' petition will be placed before the Fifth Industrial Tribunal for passing a 'no dispute' award forming this settlement a part of the said no dispute award.

AWARD

By the Government of West Bengal, Labour Department, order No. 4717-I.R./IR/11L-266/67, dated 18th September 1967, an industrial dispute existing between Messrs. Goodyear India Limited, 225-C Acharya Jagadish Bose Road, Calcutta-20, and their workmen represented by Goodyear India Employees' Union, 16-A Moore Avenue, Regent Park, Tollygunge, Calcutta-40, was referred under section 10 of the Industrial Disputes Act, 1947, to this Tribunal, for adjudication, in respect of the following issue :

Issue

Whether the dismissal of Shri Manirul Haque is justified ? To what relief, if any, he is entitled ?

Usual notices were served on the Company, as well as the Union from this Tribunal, after receipt of the order of reference. The Company as well as the Union appeared before this Tribunal. In the meantime, on receipt of a copy of an order of the Hon'ble

High Court, passed in matter No. 660 of 1967, in the constitutional writ jurisdiction (Original Side), the records of the instant order of reference was sent to the High Court. During the pendency of the said matter before the High Court, both parties filed a joint petition of settlement there, and the said matter was disposed of by the High Court, in terms of the said joint petition. One of the terms of settlement was that the concerned workman Shri Manirul Haque, would have no further claims including the claim of reinstatement against the Company arising from his dismissal from service of the Company, admitting the misconduct committed by him, on the ground of which he had been dismissed by the Company.

Before receipt of the records of the instant order of reference, a joint petition by the Company, as well as the concerned workman, was also filed before this Tribunal on 8th March 1968, contending that Shri Manirul Haque had no further claim against the Company arising from his dismissal from service of the Company for the misconduct committed by him. The certified copy of the disposal order in matter No. 660 of 1967 passed by the High Court, has also been filed before this Tribunal on behalf of the Company today. I have perused the said certified copy. It appears that according to the terms of settlement, on the base of which the said matter before the High Court, was disposed of, a 'no dispute' award should be passed in this case, because the concerned workman having received certain sum of money from the Company, agreed that he had no further claim including the claim of reinstatement against the Company.

After a careful perusal of the joint petition filed before this Tribunal on 8th March 1968 and also the certified copy of the order of the High Court, disposing on compromise, matter No. 660 of 1967 in its constitutional writ jurisdiction (Original Side), I am of opinion that at present no dispute exists regarding the instant order of reference and as such I hold that a 'no dispute' award should be passed in this case. Accordingly I pass a 'no dispute' award in this case.

This is my award.

Ghosh & Sons since 23rd April 1959. Original reference under section 10 of the Industrial Disputes Act, regarding Bonus and Dearness Allowance was made on 6th February 1967 and thereafter he made an application under section 33A for

non-payment of salary for the months of October, November and December, 1967. He has been further constrained to make this application for the refusal by Messrs. R. C. Ghosh & Sons to provide him with employment as it was without any cause, reason and/or justification.

His evidence is that on 4th November 1967 he was out with the car and the car went out of order on road. He informed the manegement about such break-down and thereafter on instruction of the management he garaged the car. After that when he approached the management he was told that he would better leave then and he would be intimated when the car would be repaired. Since then he saw the management on several occasions but when he was not provided with any work he wrote a letter on 9th January 1968 (Ext. 2) pressing for his demand.

The management in his reply has taken out certain points regarding the maintainability of the present application. Their first contention is Messrs. R. C. Ghosh & Sons was not the employer but he was employed privately to drive the car for the family purposes of Ghoshes. Therefore it was not an industrial dispute. Their next contention is on merits. Their case is that Hiralal Singh, the applicant herein, in November 1967 since garaging the car which was irreparable left his job voluntarily and took up a job with some other master, and as such he is not entitled to any relief whatsoever.

For the management Shri Amal Krishna Ghosh and Shri Nirmal Kumar Ghosh deposed. Both of them deposed to the effect that Hiralal Singh did not see them at all after garaging the car although Shri Nirmal Kumar Ghosh, O.P.W. 2, is not specific on that point. But Shri Amal Krishna Ghosh, O.P.W. 1, was quite firm when he stated that he saw him driving another car on 3/4 occasions which he recorded, he stated, by a letter, Ext. 5. This is all the evidence and the pleadings.

I now come to the correspondence. On record the first correspondence is dated 29th December 1967. It appears that Shri Amal Krishna Ghosh, O.P.W. 1, wrote to Hiralal Singh that as he was not reporting since 11th November 1967 he had reason to believe that he had voluntarily left the job. Next letter is Ext. 4, dated 6th January 1968. It was a letter from Hiralal Singh and he was complaining about his non-payment of his wages for the months October, November and December, 1967 and asking Messrs. R. C. Ghosh & Sons when he would join his duty. He was referring in that letter about a conversation with the said Shri Amal Krishna Ghosh and his visit to the office of Messrs. R. C. Ghosh & Sons when he was told that he would be informed by a letter about the date when he would join his duty. Next letter is dated 9th January 1968 from Hiralal Singh. He was requesting the management to allow him to join his duties and payment of unpaid wages from October to December, 1967. On 18th January 1968 Ext. 5, Amal Krishna Ghosh wrote a letter to Hiralal Singh to the effect that the applicant never cared to report for duty at the place of appointment at Howrah or to see him and what is more important is that Hiralal Singh was charged in that letter of having taken another job and was driving a car No. WBB 8921. This letter was sent by registered post and acknowledgment receipt is there but this letter was never replied to.

Shri Hiralal Singh, the applicant herein, has denied the charge that he was driving another car in course of his evidence. But if that is so why he did not reply to that letter, dated 18th January 1967, refuting that fact. The said Hiralal Singh in course of his cross-examination has admitted that the car is still in the garage and it appears that Messrs. R. C. Ghosh & Sons has no other car and as such the claim that he should be provided with the work cannot be sustained. It further appears to me from the evidence that the said Hiralal Singh has not made any attempt or efforts whatsoever to get any employment at any other place. All these facts including the applicant's own admission that the management owned only one car and which was still in the garage, significant silence to the allegation that he was driving another car which was recorded by letter, dated 18th January 1968, very much undermine the case of the applicant on merits. All combined together lead me to think that such an application is uncalled for. What it appears that he voluntarily left the job and his subsequent grievance for not providing with the job does not merit much consideration. Moreover the attending circumstances and the facts as have been disclosed through the correspondences that passed by and between the parties also do not speak much in favour of the applicant.

My learned predecessor on a prior application made under section 33A of the Industrial Disputes Act directed the management to pay Shri Hiralal Singh three months' wages that is to say wages for the months of October, November and December, 1967, that has been paid.

Under the circumstances, I do not think that Shri Hiralal Singh, the petitioner, can be given the relief. So as to be provided with employment as a driver as he was, but however I direct the management Messrs. R. C. Ghosh & Sons to pay the petitioner, the said Hiralal Singh, a consolidated sum of Rs. 350 which to my mind will sufficiently meet the ends of justice, so far the present application is concerned. The said sum of Rs. 350 would be paid within one month from the date of the publication of this award in the "Calcutta Gazette".

This is my award.

AWARD

This case arises out of an application filed by the aforesaid seven employees of Bally Municipality whose complaint is as follows:

The petitioners are all workmen of Bally Municipality concerned in the proceedings (i.e. Reference No. 4597-I.R., dated 3rd October 1964) now pending adjudication before this Tribunal. During the pendency of the proceedings aforesaid, the opposite party deliberately withheld long standing existing benefits of special allowance, cash chest allowance, special increments and certain other allowances mentioned in detail in the schedule appended to the application. The withholding of the allowances was referred by the illegal order of the Administrator, dated 16th August 1965 and since the month of August, 1965, the said pecuniary benefits which formed part of the wages and fell under conditions of service, were withdrawn. The total loss that was caused to the workmen is given in the schedule to the application. The benefits were duly granted under the provisions of laws and the Administrator had no authority to withdraw them under any circumstances. The petitioner made representations through the Union when they failed to get the benefits, but without any avail. The opposite party thus contravened the provision of section 33 of the Industrial Disputes Act by disturbing wage structure of the workmen and by reducing their wages. This reduction in wage tantamounted to change in the existing conditions of service during the pendency of the proceedings before the Tribunal. The applicants prayed that the Tribunal should be pleased to pass an award directing the opposite party-municipality to restore the said wage benefits with retrospective effect, i.e., from August, 1965 and pay up all arrears as per schedule given in the application. They also prayed for costs.

A notice was duly served upon the Municipality. The Administrator, Bally Municipality, Shri S. N. Das, filed a written statement and subsequently a corrigendum to the written statement. In his written statement, the Administrator stated that all the petitioner-applicants were workmen of Bally Municipality. The benefits of special allowance, cash chesh allowance, special increments were not deliberately withheld, but those were withheld with effect from 1st August 1965 in accordance with the audit objection as recorded by the Government Auditor in the draft audit report of the Bally Municipality for the year 1964-65. In the report it was pointed out that the special increments or allowances granted to the Municipal staff drawing salary over Rs. 200 per month requires Government sanction under section 66(2)(ii) of the Bengal Municipal Act. Accordingly, the Government was moved through the District Magistrate, Howrah, by a letter, dated 10th September 1965, for according necessary sanction to the said special increments and allowances, but the said proposal of the Municipality was not accepted by the District Magistrate as intimated by the Additional District Magistrate in his letter No. 1784JG/VI(d)-34/65, dated 22nd September

1965. Again the District Magistrate was requested for obtaining necessary Government sanction to regularise the matter. The Municipality has not received a reply from the District Magistrate. The special increments and allowances were withheld pending receipt of Government sanction in view of the audit suggestions aforementioned. The benefits in the wages of the petitioners were granted not according to any provisions of law. The Administrator in stopping the allowances acted only in terms of the audit suggestions and exercised no authority in this behalf, because such suggestions have got to be observed and followed under the Municipal Account Rules (Rule No. 22). The Administrator expressed his inability to restore the benefits pending sanction to the said proposals. The Municipality prayed that it should be allowed to be represented by a lawyer.

On the statements aforegiven, the parties contested the case. The applicant-petitioners examined one witness, viz., P.W. 1 Shri Dilip Kumar Banerjee and did not file any document. The Municipality examined two witnesses and exhibited a number of documents. Shri B. Chatterjee, General Secretary of the Federation, who appeared to conduct the case of the Federation raised objection under section 36 of the Industrial Disputes Act, and the Municipality could not get itself represented by a lawyer. As a result the Administrator himself appeared and conducted the case on behalf of the Municipality. After the evidence was concluded, the learned Administrator of the Municipality submitted a short written argument specially on preliminary point. The learned General Secretary also submitted a short written argument on preliminary and other points. Now, I shall take up the preliminary point raised by the learned Administrator of the Municipality.

The point raised by the learned Administrator is that section 33A application can be made only when there is violation of section 33 of the Industrial Disputes Act, during the pendency of a dispute under section 10 of the said Act. At the time of the application filed by the petitioners under section 33A, there was no dispute referred under section 10 of the Industrial Disputes Act pending before the Tribunal. The dispute referred to this Tribunal for adjudication under reference No. 4597-I.R., dated 3rd October 1964, is a dispute under section 36A of the said Act. The dispute referred for adjudication under section 36A of the said Act is not an industrial dispute falling within the definition of section 2(k) of the Industrial Disputes Act. Therefore, during the pendency of a dispute referred to the Tribunal for adjudication under section 36A of the Industrial Disputes Act, an application under section 33A does not lie. In this connection, the learned Administrator referred this Tribunal to a case reported in 1963 (II) L.L.J., Patna High Court, page 331. In this case Shri Ramaswami, the then Chief Justice of Patna High Court and Justice Shri Untwalia after discussing section 36A of the Industrial Disputes Act as well as section 33, section 10 and other pertinent sections came to the conclusion—

> "On a review of these statutory provisions it is apparent thus that there is a sharp difference between the language used in section 10 of the Act and the language used in section 36A of the Act. It is important to notice that section 36A in express language states that the appropriate Government may refer to a 'question' as to the interpretation of an award or settlement to a Tribunal for the 'decision' of such 'question'. In contrast, section 10 of the statute states that the appropriate Government may refer an 'industrial dispute' for adjudication to a Tribunal or a labour court and the duty of the Tribunal receiving the reference is to give an 'award' unden section 15 of the Act after following the appropriate procedure. In our opinion, a proceeding pending under section 36A of the Act is not a proceeding 'in respect of' an industrial dispute within the meaning of section 33(1) or section 33(3) of the Act. . . . . In the present case we are of opinion that the reference made by the Central Government under section 36A is not a reference 'in respect of' an industrial dispute, but a reference in regard to the interpretation of an award. We accordingly hold that the application of opposite party 1 in the present case, complaining of an infringement of the provisions of section 33 of the Act, dated 12th September 1960, is incompetent, and Central Government Industrial Tribunal, Dhanbad, had no jurisdiction to entertain the application under section 33A of the Industrial Disputes Act."

It is to be noticed also that the word 'dispute' or 'Industrial dispute' is not used in section 36A of the Industrial Disputes Act, whereas in section 10 of the Industrial Disputes Act, the word 'industrial dispute' is specifically mentioned. In section 33(1) the word 'dispute' and 'industrial disputes' is mentioned as well as proceeding. But the proceeding is to be in respect of an industrial dispute. Their Lordships of the Patna High Court considered all these aspects of the case and came to a conclusion that a reference under section 36A of the Industrial Dispute is not a reference of a dispute or industrial dispute. The case cited by the learned Administrator of the Municipality is right on the point. Therefore, I am bound to follow the decision.

But the learned General Secretary refers me to a Newspaper's case of the Hon'ble Calcutta High Court. This case is in connection with the Civil Rule No. 3260 of 1966. I have perused the certified copy of the judgment placed before me. In this case, it appears that His Lordship Hon'ble Purusottam Chatterjee was not called upon to discuss section 36A of the Industrial Disputes Act vis-a-vis section 33A. Therefore, it must be said that the case cited by the learned General Secretary is not

on the point. In the circumstances, I am bound to follow the decision of the Hon'ble Patna High Court.

It is admitted that the original reference is a reference under section 36A of the Industrial Disputes Act and undoubtedly the present case arises out of an application under section 33A of the said Act. In the circumstances, in view of the decision of Patna High Court, an application under section 33A of the Industrial Disputes Act is incompetent and not maintainable. Hence, the petitioners before me cannot get any relief as their application is not maintainable in law.

In view of my finding above, I am not called upon to enter into the merits of the case. This is my award.

AWARD

This is a petition under section 33A, Industrial Disputes Act, by the petitioner workman against the O.P.-Company on the allegations that the O.P.-Company has not complied with the provisions of section 33(2)(b), Industrial Disputes Act, at the time of terminating his service and was filed before the Seventh Industrial Tribunal.

After service of the usual notice, the O. P.-Company filed its written statement to contest the case.

The case has been transferred to this court by my learned predecessor's order No. 14, dated 11th September 1967.

The case was fixed for hearing on 4th December 1967 by my order No. 13, dated 24th October 1967 and after a few adjournments, it was taken up for hearing on 8th March 1968, when the learned advocate for the O. P.-Company urged for a preliminary hearing as to the maintainability of the petition. By my order No. 17, dated 8th March 1968, the case was fixed for hearing the preliminary points on 30th March 1968. The preliminary points were heard accordingly on that date and by my order No. 21, dated 7th May 1968, I found that the petition under section 33A, Industrial Disputes Act, is maintainable and the case was fixed on 7th June 1968 for further hearing. Thereafter the case has been heard on merits.

The petitioner-workman's case is that he was serving in the L.D.S. Department under the O.P.-Company. He was laid off on and with effect from 8th October 1965 and the O. P.-Company refused to record his attendance when he offered himself for the purpose. This fact was reported to the Assistant Labour Commissioner, Howrah. The O. P.-Company pasted a notice on the factory gate on 4th November 1965 asking the permanent workers to register their attendance. The petitioner-workman was not aware of this notice and so could not record his attendance on the muster roll as such. On 21st November 1965 he received a letter from the O. P.-Company intimating him that his name has been struck off from the muster roll, which amounts to de facto dismissal from his service by the O. P.-Company. Thereafter he made an appeal to the O. P.-Company on 14th December 1965 pointing out the illegality and unjustified nature of the O. P.-Company's action and asking for reinstatement, but to no effect. No charge-sheet was issued upon him and his dismissal is an instance of unfair labour practice and victimisation. The O. P.-Company has not sought approval of their action under section 33(2)(b), Industrial Disputes Act and has thus contravened the provisions of section 33, Industrial Disputes Act. The petitioner-workman seeks relief under section 33A, Industrial Disputes Act, by way of reinstatement along with full compensation for the period for his forced unemployment as such.

The O. P.-Company's case is that the petition is not maintainable under section 33A, Industrial Disputes Act and also that there has been violation of the provisions of section 33 of the Industrial Disputes Act. The petitioner-workman began to absent himself from his duties with effect from 1st November 1965 and his name was therefore struck off from the muster roll on the presumption that he left the service of the O. P.-Company on his own accord. The O. P.-Company replied to the petitioner-workman's letter, dated 14th December 1965. The petitioner-workman was neither discharged nor dismissed by way of punishment and thus there was no question of violating the provisions of section 33, Industrial Disputes Act.

The petitioner-workman examined only himself as the lone witness P.W. 1 at the time of hearing of this case. He states that he was laid off with effect from 8th October 1965 along with 500/600 other workmen. They went to the Labour Officer, who asked them to leave for their home as the state of affairs would continue for sometime. He was told that the O. P.-Company would be intimating them in future as to the withdrawal of lay-off. Thereafter he received the notice of dismissal on 21st November 1965, which has been marked as Ext. 1. In his cross-examination he names the Labour Officer as Mr. Guha who told him to leave for his native place. He also admits that he alone left for his native place. He next admits that he has not stated in his written statement that he was instructed by the Labour Officer to leave for his native place. The O. P.-Company has examined 3 witnesses including the Labour Officer, Mr. Guha, as O.P.W. 3. O.P.W. 1 is a formal witness, who serves as a Labour Officer under the Engineering Association of India, of which O. P.-Company is a member. He has proved 3 documents. Ext. A is a letter written to the O. P.-Company under his signature, forwarding a copy of the letter to the Engineering Association of India from the Labour Commissioner, West Bengal, which has been marked as Ext. B. Ext. C is the certified standing orders of the O. P.-Company. O.P.W. 2 used to serve as the Assistant Personnel Officer under the O.P.-Company in 1964. He has proved the notice of lay-off, which has been marked as Ext. D. As many workmen were not recording their attendance after the lay-off since 8th October 1965, the O. P.-Company issued another notice, dated 2nd November 1965, asking the workmen to record their attendance for taking their lay-off compensation. The copy of this notice is under the signature of Shri P. R. Guha, O.P.W. 3 and this has been marked as Ext. E. The muster roll sheet for November 1965 has been marked as Ext. F, which shows that the petitioner workman was all along absent. Ext. G is a pay-sheet showing that the petitioner-workman drew his pay for the period since 16th September 1965 till 30th September 1965 on 10th October 1965. In his cross-examination he admits that it was not stated in the notice of lay off that the workmen would have to record their attendance. He also admits that many workmen did not record their attendance since 8th October 1965. He next states that muster roll Ext. F would show that the laid off workmen were ordinarily recording their attendance since 4th November 1965. As to the termination of service of the petitioner-workman, O.P.W. 2 states that there is specific provision in the standing orders Ext. C that even if a laid off workman does not record his attendance for 10 days he would be dismissed from service. In his examination-in-chief he stated that the petitioner-workman's service was terminated in accordance with section C, rule 4(a) of the standing orders. Shri P. R. Guha as O.P.W. 3 has denied that he ever told the petitioner-workman to proceed to his native place. He also stated in his cross-examination that the service of petitioner-workman was terminated in accordance with the provision of clause 4 of section C of the standing orders.

The learned lawyer for the O. P.-Company has attracted my notice to the fact that the petitioner-workman has not adduced any evidence to show that the O. P.-Company has refused to record his attendance after being laid off and that there was any representation in the matter to the Assistant Labour Commissioner, Howrah, as stated in paragraph 2 of his written statement. He next relies upon the notice, dated 4th November 1965, which was hung up on the factory gate as stated in paragraph 3 of the petitioner-workman's written statement. He also urges that the petitioner workman never stated in his written statement that he left for his native place after the order of lay-off under the instructions of the Labour Officer. The O. P.-Company has adduced evidence from O.P.W. 3 Shri P. R. Guha, the then Labour Officer, who has denied the fact. The facts in this case are not much disputed. Ext. D is the notice of lay-off, dated 8th October 1965. Ext. E is a notice, dated 2nd November 1965, asking the laid off workmen to give their attendance on all working days to the Time Officer. Ext. F

is the Muster Roll for November, 1965, showing that the petitioner-workman was absent all along and did not record his attendance, whereas most of the workmen recorded their attendance since 4th November 1965. Ext. G is the relevant pay-sheet showing that the petitioner-workman received his salary for the period since 16th September 1965 till 30th September 1965 on 10th October 1965. On the evidence adduced, I am inclined to accept the O. P.-Company's case that the petitioner-workman did not leave for his home after the order of lay-off on the instructions of the Labour Officer O. P. W. 3.

It is at this stage that it must be considered whether the termination of service was in accordance with rule 4(a) of section C of the standing orders, Ext. C or otherwise. Be it noted that it is not the O. P.-Company's case that the termination of service of the petitioner-workman was by way of punishment for any alleged misconduct and so there was no question of complying with the provision of section 33, Industrial Dispute Act. Clause 4 of section C of the Standing Orders Ext. C reads as follows :—

(4) Any workman who —

(a) absents himself without permission for more than ten calendar days ; or

(b) having been laid off under the rules of Section I of this part of the Standing Orders fails to report within 7 days of the posting of recall notices or of being otherwise notified,

shall be deemed to have left the service of the Company of his own accord.

On a simple perusal of the relevant clause 4(a) of section C of the Standing Orders, it would appear that clause 4(b) relates laid-off workmen and clause 4(a) relates to cases of absenteeism. The petitioner-workman has not violated clause 4(b) of section C of the standing orders and the learned lawyer for the O. P.-Company does not rely at all upon the clause 4(b) of section C of the standing orders. The learned lawyer for the O. P.-Company relies upon thte decision reported in 1951(I) L.L.J., 370 wherein it has been held that "there was nothing illegal in the Company discharging a worker under one standing order providing lesser punishment after holding an enquiry under a different standing order". The learned lawyer for the O. P.-Company urges that without going into the question of punishing the workmen on the ground of absenteeism after a domestic enquiry, the O. P.-Company can very well take recourse to clause 4(a) of section C of the standing orders accepting that the workmen left the service of the O. P.-Company, if he has been absent without permission for the specified period. Certainly that is so, if any workman absents himself from duty for the specified period, which according to the standing orders, ipso facto terminated his service, the Company need not hold any domestic enquiry against the workmen for inflicting punishment upon him on the ground of absenteeism. He next relies upon the decision reported in 1963(II) LL.J., 638 wherein it has been held that where parties agree upon the terms and conditions of service and they are included in the certified standing orders, then an employee remaining absent for the specified period without leave shall be deemed to have terminated his contract of service and thus relinquished or abandoned his employment. It has also been held that "the fact that such absence is also made a misconduct under the other standing order will not affect this position as it is not incumbent on the management to take recourse to the standing order providing for disciplinary proceedings for such absence on the part of any employee". This also states the same law that where there is specific provision for ipso facto termination of service on the ground of absenteeism, the employer need not start domestic enquiry on the ground of the same misconduct and inflict punishment by way of discharge or dismissal as such. The learned lawyer for the O. P.-Company then relies upon the decision reported in 1967(II) LL.J. 883 wherein it has been held "It seems clear that when the standing orders provides that a workman will lose his lien on his appointment in case he does not join his duty (within 8 days of the expiry of his leave—here for 10 calendar days) it obviously means that his services are automatically terminated on the happening of the contingency". This also indicates that when one workman falls within the specific provision as to absenteeism in the standing orders, his service is ipso facto determined.

The learned lawyer for the petitioner-workman, however, urges that the certified standing orders of the O. P.-Company must be read in accordance with the law of the land. He attracts my notice to section 25E of Industrial Disputes Act wherein it provides that no compensation shall be paid to a workman who has been laid off, if he does not present himself for work at the establishment at the appointed time during normal working hours at least once a day. He next urges that clause 4(a) of section C of the standing orders is a general provision applying to a case of absence of a workman from duty for more than 10 calendar days. In case of a laid off workman there has been provision under section 25D of Industrial Disputes Act for maintenance of muster roll of workmen for the purpose of making entries therein by the workmen who may present themselves for work at the establishment at the appointed time during normal working hours. Section 25E provides for the punishment for not presenting himself for work as such by the workman. Clause 4(a) of section C of the standing orders, it made applicable to a case of a laid off workman, would go contrary to the provisions of sections 25D and 25E of the Industrial Disputes Act and so clause 4(a) of section C of the standing orders must be, however, accepted to be restricted to the case of ordinary workmen and not applicable to the cases of laid off workmen, or if such restricted meaning cannot be conferred upon clause 4(a) of section C of the standing orders, it must be accepted that any broad application of clause 4(a) of section C of the standing orders to the case of laid off workmen goes beyond the scope of section 25D and section 25E of Industrial Disputes Act and is, therefore, not permitted. There cannot be any doubt that the

standing orders of an industrial establishment must be in accordance with the law of the land and cannot be accepted to have any meaning, which would go to vary the import of the statute itself. It is clear from sections 25D and 25E, Industrial Disputes Act that the laid off workmen must make entries of their presence for work at the establishment at the appointed time during normal working hours without which they won't be entitled to any compensation. To accept that in accordance with clause 4(a) of section C of the standing orders of the O. P.-Company even a laid off workman would lose his job if he absents for more than 10 calendar days would be to destroy the effect of sections 25D and 25E, Industrial Disputes Act and so cannot be permitted. To my view, clause 4(a) of the standing orders does not at all apply to the case of a laid off workman and the relevant provision for application in such a case is clause 4(b) of section C of the standing orders. Even if it be conceded that clause 4(a) of standing orders applied to a case of workmen including the laid off workmen, that application cannot be allowed to operate in view of sections 25D and 25E of Industrial Disputes Act.

So, I hold that as the petitioner-workman was a laid off workman, there was no question of application of clause 4(a) of section C of the standing orders of the O. P.-Company in his case and failure to record his presence for more than 10 days does not entitle the O. P.-Company to accept that he left the service of the O. P.-Company on his own accord. Acceptance as such on the part of the O. P.-Company and striking off his name from the muster roll of the factory accordingly as is evident from Ext. 1, amounts to a de facto dismissal of the petitioner-workman from his service, and so non-compliance with section 33(2)(b), Industrial Disputes Act entitles the petitioner-workman to a relief under section 33A, Industrial Disputes Act, by way of reinstatement as well as back wages.

An award be passed accordingly holding that the O. P.-Company's action by striking off the name of the petitioner-workman from the muster roll of the factory amounts to de facto dismissal of the petitioner-workman from his service in violation of the provisions of section 33, Industrial Disputes Act and so the petitioner-workman is entitled to reinstatement, as if his name was never struck off from the muster roll of the factory and also to back wages as such since the date of striking off his name from the muster roll of the factory till the date of reinstatement as such. O. P.-Company is also directed to cause reinstatement of the petitioner-workman within one month from the date of publication of this award in the "Calcutta Gazette" and to pay back wages to the petitioner-workman as such, as if his name was never struck off from the muster roll. In making payment of back wages, however, the O. P.-Company would be entitled to take recourse to section 25E, Industrial Disputes Act, for not allowing any compensation to the petitioner-workman for that period of lay-off, when he did not record his attendance as required under law.

This is my award.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri Nihar Mazumdar and Shri Hiralal Roy, Advocates.

Present for the Union: Shri Sunil Dhar, Advocate.

By the Government of West Bengal, Labour Department order No. 1366-I.R./IR/10L-29/67, dated the 5th April 1967, this industrial dispute between Messrs. United Flash Lights Industries Private Ltd., and their workmen represented by United Flash Lights Industries Private Ltd. Employees' Union, was originally referred to the First Industrial Tribunal, under section 10 of the Industrial Disputes Act, for adjudication upon the issue mentioned below.

Issue

Whether the lock-out of the factory with effect from the 21st November 1966 is justified? To what relief, if any, are the workmen entitled?

Subsequently, by Government order No. 3134-I.R./IR/10L-29/67, dated the 11th July 1967, the above reference was withdrawn from the First Industrial Tribunal and transferred to the Fifth Industrial Tribunal for adjudication. Usual notices were served on the parties and they made appearance and filed their respective written statement and necessary documents. The case was taken up for hearing on 18th December 1968. The Union examined 3 witnesses and the Company examined only one witness. Relevant papers produced and proved by the parties were marked exhibits.

The case of the Union is as follows:—The Company laid off all the employees on 2nd April 1966. The employees raised a dispute in the Labour Directorate. Then on 25th June 1966 there was a joint conference between the Union and the Management before the Conciliation Officer, and there a settlement was signed by the parties concerned. It was agreed in the said settlement that the factory would operate for 3 days in a week from 1st July 1966, and those particular days would be selected as per mutual arrangement among the Manager and the workmen. It was further agreed that the period of unemployment for 3 days in a week under this agreement would be treated as on leave with half wages, and that the workers on these days would attend the factory at 8 a.m., and their attendance would be recorded. Accordingly, the lay off was withdrawn and the workers began to work for 3 days in a week. But this caused hardship to the workers. On 3rd October 1966 the Union wrote a letter to the Company and requested the Management to give 6 days' work to the workers in a week. It was also suggested in the said letter that in case it was not possible for the Management to provide the workers with 6 days' work in a week, the workers should be retrenched. Upon this letter it was decided that there would be a joint conference. But suddenly on 21st November 1966 the Management declared a lockout on false grounds in order to deprive the employees of the service-benefits. On this the workmen raised a dispute and as a result thereof this reference has been made.

The case of the Company is as follows:—The workmen went to 'go-slow' tactics with effect from 1st November 1966, and this resulted in heavy loss to the Company. The Company brought this fact to the notice of the workmen and requested them to return to normal duties. But despite this request the workmen continued in 'go slow' tactics in order to paralyse the industry. They became violent and openly defied the lawful and reasonable orders of the Management. They tried to foster serious disturbances in and around the factory, and the situation became so much explosive that it became impossible for the Management to run the factory. As such, it is said by the Company, by the notice, dated 19th November 1966 the Company declared a lockout with effect from 21st November 1966.

Decision with Reasons

The Company taken a preliminary objection as to the maintainability of the reference. It is submitted on behalf of the Company that the workmen had raised no dispute with the Management before the conciliation took place and, as such, there existed no industrial dispute. So it is submitted on behalf of the Company that this reference is not maintainable. The learned lawyer on behalf of the Company refers to the case reported in 1968-I-L.L.J, p. 834 in which it has been observed that a mere demand to a Government without a dispute being raised by the workmen with their employer, cannot become an industrial dispute. In my opinion, the principle enunciated in the abovementiond case does not apply to the facts and circumstances of the present case. That was a case of retrenchment. The retrenched workman did not raise any dispute with the employer directly, and so it was held in that case that the dispute was not an industrial dispute. But here the facts are otherwise. The Company declared lockout with effect from the 21st November 1966. It appears that on 21st November 1966 the Union wrote a letter to Shri S. N. Banerji, Assistant Labour Commissioner, Government of West Bengal, challenging the justifiability of the lockout. It appears that a copy of this application was sent to the Management by the Assistant Labour Commissioner. It is true that the Company denied receipt of any such letter. Ext. 7 shows that a copy of the Union's letter, dated 21st November 1966, was sent to the Company. Moreover Ext. J, which has been admitted in evidence at the instance of the Company, shows that the Management received a copy of the Union's letter, dated 21st November 1966. It may be said that this letter was not sent by the Union to the Company directly. But it has been proved beyond any shadow of doubt that on 23rd November 1966 the Union sent a letter to the Company directly challenging the validity of the lockout. Ext. 9 is the letter in question. Ext. 9 shows that the letter was sent to the Director of the Company by registered post. So it must be taken that the letter in question was received by the Company. In this letter the General Secretary of the Union requested the Director of the Company to withdraw the illegal lockout and allow the workmen to resume their duties. So it appears that the workmen raised a dispute with the company directly challenging the justifiability of the lockout. Now it cannot be said that the dispute in question is not an 'industrial dispute'. As I find that the workmen raised a dispute with the Company challenging the validity of the lockout. I am of opinion that it is an industrial dispute and that the reference is maintainable.

Now, let me deal with the merits of the case. Ext. 4 is the notice on the basis of which the Company declared the lockout with effect from 21st November 1966. The Company alleged in this notice that as the workmen adopted go-slow tactics, and as the workmen were bent upon creating serious disturbances inside as well as outside the factory, the Management had no other alternative but to lockout the factory with effect from 21st November 1966. If it is proved that the workmen adopted go-slow

tactics and created serious disturbances as alleged by the Company, it may be then held that the Management was justified in locking out the factory. The question is whether these allegations are true or not. In this connection it may be mentioned that the Company has now tried also to make out a case that it had to lockout the factory on account of financial reasons also. But the question of financial reasons cannot be gone into in this case. The Company gave the reasons in their notice, dated 19th November 1966, as to why they were compelled to declare the lockout. Financial reasons were not mentioned there in the notice. So it cannot be said that for financial reasons they had to lockout the factory. The Company cannot now go beyond the notice, dated 19th November 1966. Thus it is to be seen whether the workmen adopted go-slow tactics and tried to create serious disturbances inside as well as outside the factory. O.P.W. 1 Shri Vaskar Damani, the Principal Officer of the Company, wants to say that the workmen adopted 'go-slow' tactics with effect from 1st November 1966. In support of his evidence he has produced the Production Register (Ext. K-1). Ext. K is the chart of production prepared by the Company with reference to the Production Register. It appears that on 19th June 1965 there was a settlement between the Union and the Management. The term No. 2 of the said settlement (Ext. A) runs as follows:—"It is agreed that the workmen (daily-paid employees of the factory undertake to produce regularly and deliver the finished goods to the godown of the Works, 80 dozen (960 pieces) torches per day of different sizes duly tested for quality, properly levelled, wrapped and packed with the present strength of workmen and present machinery". So by this settlement the workmen undertook to produce 80 dozen of torches per day. But the production chart shows that the workmen produced lesser quantity of torches. So it is on behalf of the Company that it is to be presumed that the workmen adopted 'go slow' tactics. But, in my opinion, the Production Register and the Chart of Production do not at all prove that the workmen adopted 'go slow' tactics. It is the case of the Company that the workmen effected 'go slow' tactics with effect from 1st November 1966. But the Production Register (Ext. K-1) shows that in Octobter 1966 also the workmen produced less than 80 dozen of torches. During the period from July to September 1966 also the workmen produced less that 80 dozen of torches. On a few days only the workmen produced 80 or 81 dozen of torches. But it is not the case of the Company that the workmen adopted 'go slow' tactics from before November 1966. So the production chart cannot prove that the workmen adopted 'go slow' tactics with effect from 1st November 1966. Moreover, the term No. 3 of the Terms of Settlement in Ext. A should also be considered. The term runs as follows :—"That the Company on its part undertakes to supply regularly all the necessary raw materials and packing materials and also keep the machinery in running condition". So, the term No. 2 of the Terms of Settlement is dependant on the term No. 3 of the said terms of settlement. If the Company had supplied regularly all the necessary raw materials and packing materials then only the workmen could be said to be bound to produce 80 dozen of torches. But in this case it has not been proved that the Company supplied all the necessary materials for production of 80 dozen of torches. The evidence is practically otherwise. O.P.W. 1 Shri Vaskar Damani says in the evidence that the main raw material required in their factory was brass sheet, that they could not get brass sheet regularly and properly, and that because of want of brass sheet the work in the factory hampered. So it is clear that the Company did not supply all necessary materials and packing materials to the workmen for their work of production. O.P.W. 1 Shri Damani admits that the Company maintainted records to show supply of materials to the workers. That record has not been produced and filed in this case. That record would have shown how much materials were supplied to the workmen daily. If it was found that in spite of supply of adequate amount of raw materials the workmen did not produce 80 dozen of torches, then and then only it could be said that then workmen adopted 'go slow' tactics. But that important record has not been filed by the Company in this case. On account of non-production of that record it should be presumed that had that record been produced that would not have supported the Company's case. So the Company's allegation of 'go slow' tactics on the part of the workmen should be taken as completely baseless. It has not been proved at all in this case that the workmen adopted 'go slow' tactics in the matter of producion.

Now, it is to be seen as to whether the workmen created disturbance in and around the factory. O.P.W. 1 Shri Vaskar Damani, says in his evidence that the workers made violent agitation against him, violent threats were hurled against him by the workers, and that when the Company wanted to affix warning notice on the notice board, the workers came to the Head Office with knives in their hand and indulged in shoutings and abuses, etc. He further says that there had been occasions of 'gherao', and while he pasted notices the workmen 'gheraoed' him. The question is whether this statement is true or not. It is evident that this statement is not true at all. No case of 'gherao' was mentioned in the lockout notice. Had there been any case of 'gherao' by the workmen of Shri Damani or any of the officers of the Company, that incident would have been mentioned in the lockout notice. It appears that on 22nd November 1966 the Company wrote a letter to the Officer-in-Charge, Hare Street Police Station, alleging that the workmen made violent agitation on 21st November 1966 at 4-30 p.m. in challenging the validity of the lockout. If there had been occasions of such violent agitation prior to 21st November 1966, the Management would surely have reported the matter to the police. Admittedly, the Management did not send any such report of violent agitation by the workers to the police. O.P.W. 1 Shri Damani wants to say that he did not report to the police on account of threats of assaults by the workmen. If this was a fact, how could he then send information to the police on 22nd November 1966? There is no explanation whatsoever. So the irresistible conclusion is that no violent agitation took place prior to 21st November 1966. It may be that the workmen became violent after the lockout had been declared by the Company. But we are not concerned as to what happened after the lockout. It is to be seen whether any violent agitation took place prior to the lockout of the factory. From the evidence on record I am not at all convinced that the workmen made any violent agitation prior to 21st November 1966. The story of violent agitation by the workers appears to be absolutely false.

It is the case of the Company that it declared the lockout because of 'go slow' tactics and violent demonstrations by the workmen. It appears that the Company issued three notices prior to the issue of the lockout notice. Exts. F-2 to F-4 are those notices. Ext. F-2 is dated 16th November 1966, Ext. F-4 is dated 17th November 1966 and Ext. F-3 is dated 18th November 1966. It is an admitted fact that by the agreement, dated 25th June 1966 (Ext. 2), it was agreed that the factory would operate for 3 days in a week from 1st July 1966, and those particular days for the operation of the factory would be fixed by mutual arrangement between the workmen and the Manager of the Company. The Union states in paragraph 9 of their written statement that the factory was not running from the 17th to the 19th November 1966, and that the employees were kept under forced leave from the 17th to the 19th November 1966 as the factory ran for 3 days in that week from the 14th to the 16th November 1966. In paragraph 8 of the written statement of the Company it has been stated that some workmen worked from the 17th to the 19th November 1966, and other workmen worked up to the 16th November only. So it appears that the contents of the paragraph 9 of the Union's written statement are substantially true. According to the agreement Ext. 2, the factory would operate for 3 days in a week. If the factory had operated on the 14th, 15th and 16th November, according to the agreement, it must be taken that the factory did not operate on the 17th, 18th and 19th November 1966. Ext. F(3) is the notice, dated 18th November 1966. It is clear that the factory was not operating on the 17th November. So the Management had no reason to issue notice, on the 18th November alleging that the workmen had been continuing in 'go slow' tactics. The very fact that the Company issued notice on the 18th November 1966, goes to indicate that the Management was trying to create evidence for the declaration of the proposed lock-out. It is clear that the Company declared the lockout with a bad motive. It appears that on 3rd October 1966 the workers sent a letter to the Manager (Ext. 3) of the Company with the request that they should be given work for 6 days in a week. The workers further requested the Manager that in case the Company failed to give them 6 days' work in a week, they should be retrenched. Admittedly there was a talk of a conference over this matter. It is also an admitted fact that the lockout took place before any talk could be held. So, considering all these facts and circumstances, and having due regard to the evidence on record, I have not the slightest doubt that the Company locked out the factory in order to deprive the workmen of their legal dues. The Company adopted unfair labour practice and locked out the factory without any valid reason. I therefore, hold that the lockout of the factory by the Company was unjustified. I am convinced from the evidence on record that the Management was not at all justified in declaring the lockout of the factory. The workmen are, accordingly, entitled to get full wages for the period of the lockout. It is now an admitted fact that the Company closed the business with effect from 7th February 1967. Ext. B is the notice of closure. The workmen are entitled to get full wages for the period up to 6th February 1967. If any amount was already paid to the workmen at the time of the closure, that amount may be deducted and adjusted against their wages at the time of payment of their wages.

It is directed that the Company must pay full wages to the workmen for the period from the date of the lockout till 6th February 1967. Any amount already paid to the workmen at the time of closure should be deducted from their wages at the time of payment of their wages.

This is my award.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For Political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Castes/Tribes candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For displaced persons:** The upper age limit is relaxable up to 45 years for displaced persons who migrated to India from East Pakistan on or after January 1, 1964 and repatriates from Burma and Ceylon who migrated on or after 1st June 1963 and 1st November 1964 respectively. This concession in age to displaced person shall remain in force up to December 31, 1969.

The bona fides of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of pay

(2) (a) **For persons already in permanent service under the Government of West Bengal:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, his/her initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If however, such a recruit is prepared to resign his/her appointment under Government, before applying, he/she will be eligible for the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his/her pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale, provided that he/she has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of applications

(3) Applications are to be made in the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply in any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Those who intend to submit applications personally should do so between 10-30 a.m. and 3-15 p.m. on full working days and between 10-30 a.m. and 12-15 p.m. on Saturdays.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the School Final or equivalent certificate.

In the case of a female candidate whose age is not recorded in the School Final or equivalent certificate, any of the following evidences of the age is accepted by the Commission:

(1) A certificate from the Headmistress of the school, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a Gazetted Officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 (Rs. 1.25 for candidates belonging to Scheduled Castes or Scheduled Tribes) in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Orders, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal".

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications, to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

Except under certain special circumstances, fees paid with the applications are not refunded.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1969.

A candidate claiming such exemption must furnish besides evidence required under paragraph (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he/she is not in a position to pay the prescribed fee.

For a Gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by the candidate will be refunded afterwards.

For a non-Gazetted post such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Castes or Scheduled Tribes must furnish with his/her application a certificate in original from a Gazetted Officer or from a Member of Parliament or State Legislature belonging to the Scheduled Castes or Scheduled Tribes specifying the particular caste or tribe to which the candidate belongs.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not, however, be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

(2) No claim in respect of a loss which has occurred in India and requiring to be paid or settled in India equal to or exceeding twenty thousand rupees in value on any policy of insurance, arising or intimated to an insurer at any time after the expiry of a period of one year from the commencement of the Insurance (Amendment) Act, 1968, shall, unless otherwise directed by the Controller, be admitted for payment or settled by the insurer unless he has obtained a report, on the loss that has occurred, from a person who holds a licence issued under this section to act as a surveyor or loss assessor (hereinafter referred to as "approved surveyor or loss assessor"):

Provided that nothing in this sub-section shall be deemed to take away or abridge the right of the insurer to pay or settle any claim at any amount different from the amount assessed by the approved surveyor or loss assessor.

(3) The Controller may, at any time, in respect of any claim of the nature referred to in sub-section (2), call for an independent report from any other approved surveyor or loss assessor specified by him and such surveyor or loss assessor shall furnish such report to the Controller within such time as may be specified by the Controller or if no time limit has been specified by him within a reasonable time and the cost of, or incidental to, such report shall be borne by the insurer.

(4) The Controller may, on receipt of a report referred to in sub-section (3), issue such directions as he may consider necessary with regard to the settlement of the claim including any direction to settle a claim at a figure less than, or more than, that at which it is proposed to settle it or it was settled and the insurer shall be bound to comply with such directions:

Provided that where the Controller issues a direction for settling a claim at a figure lower than that at which it has already been settled, the insurer shall be deemed to comply with such direction if he satisfies the Controller that all reasonable steps, with due regard to the question whether the expenditure involved is not disproportionate to the amount required to be recovered, have been taken with due despatch by him:

Provided further that no direction for the payment of a lesser sum shall be made where the amount of the claim has already been paid and the Controller is of opinion that the recovery of the amount paid in excess would cause undue hardship to the insured:

Provided also that nothing in this section shall relieve the insurer from any liability, civil or criminal, to which he would have been subject but for the provisions of this sub-section.

(5) No insurer shall, after the expiry of a period of one year from the commencement of the Insurance (Amendment) Act, 1968, pay to any person any fee or remuneration for surveying, verifying or reporting on a claim of loss under a policy of insurance unless the person making such survey, verification or report is an approved surveyor or loss assessor.

(6) Where, in the case of a claim of less than twenty thousand rupees in value on any policy of insurance it is not practicable for an insurer to employ an approved surveyor or loss assessor without incurring expenses disproportionate to the amount of the claim, the insurer may employ any other person (not being a person disqualified for the time being for being employed as a surveyor or loss assessor) for surveying such loss and may pay such reasonable fee or remuneration to the person so employed as he may think fit.

(7) If the Controller is satisfied that an approved surveyor or loss assessor has been guilty of wilfully making a false statement knowing it to be false or of being knowingly a party to the settlement of a claim in a fraudulent manner, he may, after giving such surveyor or loss assessor an opportunity of being heard, cancel the licence issued to him with effect from such date as may be specified by him and shall notify such cancellation in the Official Gazette.

(8) Any surveyor or loss assessor whose licence has been cancelled shall not be eligible for hanving a licence to act as a surveyor or loss assessor for a period of three years from the date on which the cancellation is notified in the Official Gazette.

(9) The Controller may in respect of any claim of value of less than twenty thousand rupees on an insurance policy, if the claim has not been or is not proposed to be reported upon by a surveyor or loss assessor, direct that such claim shall be reported upon by an approved surveyor or loss assessor and where the Controller makes such direction, the provisions of sub-sections (3) and (4) shall apply in respect of such claim.

(10) Where, in relation to any class of claims, the Central Government is satisfied that it is customary to entrust the work of survey or loss assessment to any person other than a licensed surveyor or loss assesor, or it is not practicable to make any survey or loss assessment, it may, by an order published in the Official Gazette, exempt such class of claims from the operation of this section.

(2) The Marriage Officer shall submit his application for leave to the District Registrar or the Registrar-General of Births, Deaths and Marriages, West Bengal, at least four weeks before the date on which he intends to avail himself of the leave, and he may not leave the station without obtaining previous permission for the same.

Where no successor has been appointed, the outgoing Marriage Officer shall make over for safe custody, all the records of his office to the District Regigstrar or the Registrar-General of Births, Deaths and Marriages, West Bengal. His successor when appointed shall take charge of these records from the appropriate authority.

29. **Holding of other salaried appointment:** A non-official Marriage Officer may hold any other salaried employment or carry on any other business or profession, provided that such appointment, business or profession shall not, in the opinion of the Government, interfere with the proper discharge of his duties as a Marriage Officer.

30. **Retirement:** A non-official Marriage Officer shall ordinarily retire from his post on the attainment of 65 years of age. A notice of retirement shall be given by the District Registrar or the Registrar-General of Births, Deaths and Marriages, West Bengal, six months ahead of one date of retirement in each case; but non-service of any such notice will not entitle a Marriage Officer to continue to hold the post after his attainment of 65 years of age.

31. **Pending work:** All pending notices of intended marriage lying with a Marriage Officer at the time of his retirement or relinquishment of his post on account of death, resignation or otherwise shall be sent to such Marriage Officer as may be directed by the Registrar-General of Births, Deaths and Marriages, West Bengal, for disposal with due intimation to the parties concerned.

AWARD

This is a petition under section 33A, Industrial Disputes Act, by the petitioner-workman against the opposite party-Company and was filed before the 7th Industrial Tribunal.

After service of usual notice, the opposite party-Company filed its written statement to contest the case.

The case has been transferred to this Court by my learned predecessor's order No. 14, dated 18th August 1967.

The petitioner-workman's case is that he is an important organiser of West Bengal Engineering Workers' Union and because of his trade union activities the opposite party-Company bore a grudge against him. The workmen demanded Puja Bonus equivalent to two months' wages and on 1st October 1964 the workmen petitioned to the opposite party-Company for granting Puja Holidays with pay otherwise for keeping the factory open during the Puja holidays and the petitioner-workman took initiative in this matter. The opposite party-Company served a charge-sheet upon him on 2nd October 1964, the charges contained being false. He was suspended for a week from his duty. The petitioner-workman filed an explanation to the charge-sheet on 3rd October 1964 and refuted the charges alleged. He also produced a letter from the workman Shri Gour Ch. Das stating that charge No. 2 of the charge-sheet is not true. The opposite party-Company discharge the petitioner-workman by a letter, dated 10th October 1964, with retrospective effect since 1st October 1964. An industrial dispute between the Company and its workmen was pending before the 7th Industrial Tribunal at the relevant point of time, the order of reference being No. 3537-I.R., dated 6th August 1962, and No. 4388-I.R., dated 16th October 1963. The opposite party-Company discharged him without obtaining permission or approval of the 7th Industrial Tribunal and thus violated the provisions of section 33, Industrial Disputes Act. The petitioner-workman prays for reinstatement and back wages.

The opposite party-Company's case is that a charge-sheet was served upon the petitioner-workman on 2nd October 1964, to which he replied by submitting an explanation as such. The explanation was not considered satisfactory and the petitioner-workman was directed to attend the domestic enquiry to be held on 10th October 1964 by the opposite party-Company's letter, dated 6th October 1964. The enquiring officer recorded the statements at the time of the domestic enquiry. He found the petitioner-workman guilty of the charges framed against him and on the basis of his findings the petitioner-workman was dismissed from service under the opposite party-Company. The domestic enquiry was held ex parte as the petitioner-workman did not deliberately participate in the domestic enquiry. It is, however, admitted that the opposite party-Company did not file any petition under section 33(2)(b), Industrial Disputes Act, as required.

The following points therefore arise before me for determination at the time of hearing of the present case:

Points for Determination

(1) Is the petition maintainable ?

(2) Is the petitioner-workman entitled to any benefit of reinstatement and back wages as claimed ?

Decisions

Point No. 1: The maintainability of a petition under section 33A would depend upon the fact of compliance or otherwise of the provisions of section 33, Industrial Disputes Act. It has been admitted in the written statement of the opposite party-Company itself that the opposite party-Company did not file any petition for approval of the order of dismissal passed against the petitioner-workman under section 33(2)(b), Industrial Disputes Act, before the 7th Industrial Tribunal. An industrial dispute referred to the 7th Industrial Tribunal between the opposite party-Company and its workmen under section 10, Industrial Disputes Act, was pending at the relevant point of time. So, this petition under section 33A, Industrial Disputes Act, is maintainable.

This point is so answered in the affirmative.

Point No. 2: It is well-settled law by decided cases that when the opposite party-Company does not comply with the provisions of section 33, Industrial Disputes Act, at the time of dismissal of a workman during the pendency of a dispute under section 10, Industrial Disputes Act, before the Industrial Tribunal or the Labour Court the Industrial Tribunal or the Labour Court shall examine the evidence on record at the time of the domestic enquiry and shall also examine the evidence in support of the charges adduced at the time of hearing of the case under section 33A, Industrial Disputes Act, and come to a finding as to the charges levelled against the workman on the basis of such evidence. The opposite party-Company's case is that there has been a domestic enquiry and it has been specifically alleged in paragraph 4 of its written statement that the statements were recorded by the enquiring officer at that time, though the domestic enquiry was held ex parte. No enquiry proceedings has been filed at the time of hearing of the present case. The enquiring officer O.P.W.2 has admitted even in his examination-in-chief that he did not record the enquiry proceedings. It is the further case of the opposite party-Company that the petitioner-workman was dismissed on the basis of the findings of the enquiring officer, who found the petitioner-workman guilty of the charges framed. It is interesting to note even at this stage that the enquiring officer O.P.W.2 states in his examination-in-chief that he submitted the enquiry report and also proves the enquiry report to be in his handwriting and under his signature, which has been marked as Ext. E, but the proprietor of the opposite party-Company O.P.W. 3 states first even in his examination-in-chief that O.P.W. 2 did not submit any report in the formal manner and he submitted a verbal report, though he corrects himself afterwards stating that the report, Ext. E, was submitted to him by the enquiring officer O.P.W. 2. Ext. 1 is the charge-sheet, dated 2nd October 1964, served upon the petitioner-workman and Ext. 2 is the letter of dismissal, dated 10th October 1964, ordering discharge with retrospective effect since 2nd October 1964. Ext. A is a copy of the charge-sheet, dated 2nd October 1964. Ext. B is the reply to the charge-sheet by the petitioner-workman, dated 3rd October 1964. The petitioner-workman deposed as the lone witness P.W. 1 in support of his case. He admits the service of the charge-sheet upon him. During his cross-examination he has proved the annexure to his reply to the charge-sheet, Ext. B, a letter of O.P.W. 1 Gour Chandra Das, which has been marked as Ext. C. Ext. D is a letter sent to the opposite party-Company by O.P.W. 1 Gour Ch. Das in the handwriting of Shri Nani Gopal Sen, the departmental in-charge, and is under his signature. Ext. F is the

copy of a notice of enquiry, dated 6th October 1964, sent to the petitioner-workman under the signature of the proprietor of the opposite party-Company, O.P.W. 3. The petitioner-workman has categorically denied the service of any notice of enquiry upon him. There are no documents to show that any notice of enquiry was served upon the petitioner-workman. Ext. G is the complaint of Nani Gopal Sen against the petitioner-workman and has been proved by O.P.W. 3, proprietor of the opposite party-Company. Ext. H is a certified copy of the G.D. entry by O.P.W. 1 Gour Ch. Das on 6th October 1964 at the police-station complaining about taking of signature of his by the petitioner-workman on a blank sheet of paper on the understanding of using it for the purpose of a gate meeting and subsequent user in favour of the petitioner-workman, when he was charge-sheeted by the opposite party-Company. Ext. H(1) was identified by O.P.W. 1 as a copy of the G.D. entry written by the O.C. of the police-station. O.P.W. 4 is a formal witness, who serves as a constable and has proved the F.I.R. In his cross-examination he has categorically stated that the above-said document marked X for identification was not in the handwriting of Shri H. Dey, Duty Officer at the relevant point of time, and so it was marked as Ext. H(1).

The learned Lawyer for the petitioner-workman urges that no notice of enquiry was served upon the petitioner-workman nor any domestic enquiry was held. He also urges that the domestic enquiry held, if any, was not in accordance with the law and in consonance with the principles of natural justice. He next urges that the opposite party-Company has signally failed to adduce any evidence establishing the guilt of the petitioner-workman at the time of hearing of the present case. I seek to consider these points one by one and the first point first.

The opposite party-Company alleges in its written statement that the notice of enquiry, dated 6th October 1964, was sent to the petitioner-workman directing him to appear at the departmental enquiry on 10th October 1964. At the time of hearing of the present case, O.P.W. 3, proprietor of the opposite party-Company, produces a copy of the notice of enquiry, which has been marked as Ext. F. The petitioner-workman has denied service of any notice of enquiry in his written statement and also in his evidence as P.W. 1 at the time of hearing of this case. The enquiring officer O.P.W. 2 has stated even in his cross-examination that he ascertained from Shri Nani Gopal Sen, the Officer-in-charge, that the letter has been sent to the petitioner-workman intimating him of the domestic enquiry. In his cross-examination he has stated first that there was no document before him to show that the notice of enquiry was received by the petitioner-workman. He contradicted himself and then stated that there was a certificate of posting. He again contradicted himself and stated that there was either certificate of posting or a registration receipt. He contradicted himself finally again and stated that he did not remember whether there was any document as such and categorically admitted that he was not aware at the time of the domestic enquiry whether the petitioner-workman received the notice of enquiry. O.P.W. 3 has stated in his examination-in-chief that the notice of enquiry was sent under certificate of posting. He next states that the certificate of posting has been misplaced and could not be traced. In his cross-examination he states that he told his lawyer at the time of drafting his written statement that he sent a notice of the domestic enquiry to the petitioner-workman under certificate of posting. There is no such statement in the written statement of the opposite party-Company and O.P.W. 3 has admitted further in his cross-examination that the fact of sending the notice of enquiry under certificate of posting was not mentioned there. He also states that the opposite party-Company does not maintain any register of letters sent or letters received. He next admits that he has no knowledge whether the notice of enquiry sent to the petitioner-workman was received by him. There is no endorsement in the document, Ext. F., to suggest that the original was sent under certificate of posting, which certainly would have been there if that would have been the case. The onus was certainly upon the opposite party-Company to show that they sent a notice of the domestic enquiry to the petitioner-workman and the opposite party-Company has miserably failed to prove the fact.

The specific plea of the petitioner-workman is that there was no domestic enquiry. I have already accepted that no notice of domestic enquiry was served upon the petitioner-workman. I have also indicated above that the enquiring officer, O.P.W. 2, has categorically admitted that he did not record the enquiry proceedings even in his examination-in-chief, though it is the specific case of the opposite party-Company that the enquiring officer recorded the statements. The enquiring officer speaks of submitting the enquiry report and proves the document, Ext. E, as his report. It is queer that O.P.W. 3, the proprietor of the opposite party-Company, has stated in his examination-in-chief at first that O.P.W. 2 did not submit any report in the formal manner and submitted a verbal report though he contradicts himself afterwards and states that the report, Ext. E, was submitted to him by the enquiring officer, O.P.W. 2. The enquiring officer, O.P.W. 2, has stated in his examination-in-chief that Shri Nani Gopal Sen, Officer-in-charge, deposed as the first prosecution witness and then he ascertained the matter from O.P.W. 1. Shri Nani Gopal Sen read out the charge-sheet and narrated the incident and thus he heard about the incident from O.P.W. 1. These statements are not corroborated by his own enquiry report, Ext. E., which goes to show that when the petitioner-workman did not appear before the domestic enquiry, Shri Nani Gopal Sen read out the charge-sheet and the statements including the explanation of the petitioner-workman were placed before the enquiring officer. The enquiring officer found the charges levelled against the petitioner to be proved on the basis of the documents. It is clear from the enquiry report, Ext. E, that no statements were made before the enquiring officer by any prosecution witness nor any document relied upon at the time of the domestic enquiry was proved. There is no mention of O.P.W. 1 making any statement at the time of the domestic enquiry before the enquiring officer nor any letter written by him to be proved or produced as such.

On the existing evidence, I am bound to hold that no domestic enquiry was held against the petitioner-workman when prosecution witnesses were examined to prove the guilt of the petitioner-workman nor the enquiring officer considered the statements of any such prosecution witness to accept that the charges levelled against the petitioner-workman were established. The entire evidence as to domestic enquiry rather reveals its perfunctory nature. Be it noted that there is no mention of the domestic enquiry in the letter of dismissal, Ext. 2, dated 10th October 1964. These are inherent indications to show the utter falsity of the opposite party-Company's case as to holding of any domestic enquiry.

Even if it be conceded that a domestic enquiry was held, the domestic enquiry is certainly vitiated due to the following facts. There is no evidence that the petitioner-workman received any notice of the domestic enquiry. No enquiry proceedings were recorded at the time of the domestic enquiry. On the basis of the enquiry report, Ext. F, it appears that there was no prosecution evidence as to the guilt of the petitioner-workman before the enquiring officer at the time of the domestic enquiry. The petitioner-workman was not supplied with any copy of the complaint by the Officer-in-charge, Shri Nani Gopal Sen, which has been marked as Ext. G. So, the domestic enquiry, even if any, was not in accordance with the law and in consonance with the principles of natural justice.

I have already indicated above that the opposite party-Company is entitled to adduce independent evidence as to the guilt of the petitioner-workman at the time of hearing of a petition under section 33A, Industrial Disputes Act, even after non-compliance with the provisions of section 33(2)(b), Industrial Disputes Act.

The charges against the petitioner-workman were (1) that he was deputed for an urgent work on 1st October 1964, but failed to attend his duties as he was engaged by Shri Dhananjoy Halder to deliver a letter to the Union Secretary and the fact was admitted by Shri Dhananjoy Halder, the conduct of the petitioner-workman resulting in hampering production of an urgent work (2) on the report of Shri Nani Gopal Sen, Officer-in-charge, dated 23rd September 1964, it was found that the petitioner-workman was quarrelling with Shri Gour Ch. Das using abusive language and also wanted to have a duel with him creating such a nuisance situation that Mrs. De had to come to the workshop from here dwelling house and intervened to stop the matter. The petitioner-workman was thus guilty of violating the order and discipline of the factory, and (3) the petitioner-workman was found smoking at the time of soldering work during working hours for which he was repeatedly warned.

At the time of the present hearing the opposite party-Company has examined 5 witnesses, of whom O.P.W. 2, the enquiring officer, and O.P.W. 4, police constable, are more formal witnesses. O.P.W. 1 Gour Ch. Das only deposes as to the second charge. O.P.W. 3, proprietor of the opposite party-Company, deposes as to the first and third charges.

As to the first charge, there is no evidence before me to show that any urgent work was given to the petitioner-workman on 1st October 1964, barring the oral evidence of O.P.W. 3 himself. O.P.W. 3 has also stated that the petitioner-workman came to his duties on that date, but was not found in his duty hours. On enquiry he came to know that the petitioner-workman took a letter from Dhananjoy and went to deliver it to the union office. He has also stated that he ascertained from Dhananjoy that Dhananjoy sent the petitioner-workman to deliver a letter to the union office, which he subsequently denied. There is no evidence, whatsoever, either from Dhananjoy or anyone else before whom such an admission was made, even if it be so, the admission has been proved at all. Even if the admission would have been proved that would not have been binding upon the petitioner-workman. O.P.W. 3 has not disclosed from whom he made enquiries in the matter. The petitioner-workman has denied the fact and as P.W. 1 has stated that he was never told by the opposite party-Company that they would have some urgent work on 1st October 1964. He did not report to duty on 1st October 1964 as he was involved in his family affairs. O.P.W. 3 has admitted in his cross-examination that the workmen remain absent from their duties in their factory for illness even without prior intimation as such. On the above discussions, charge No. 1 has not been established against the petitioner-workman.

As to charge No. 2, complainant Nani Gopal Sen has not been examined on the ground that he has left the service of the opposite party-Company. There is nothing to show that the opposite party-Company made any attempt otherwise to avail his presence as a witness at the time of hearing of the present case. The employer's wife Mrs. De, according to opposite party-Company's case, was a very material witness relating to the incident, but she also has not been examined. O.P.W. 3, proprietor of the opposite party-Company, has no personal knowledge as to these incidents on 23rd September 1964. The only evidence in the matter comes from O.P.W. 1. It is interesting to note that he admits his signature in Ext. C, which was annexed to the reply to the charge-sheet, Ext. B, stating that the allegations in the charge-sheet as to the incident on 23rd September 1964 between the petitioner-workman and the O.P.W. 1 are false. O.P.W. 1 states that the petitioner-workman took his signature in a blank sheet of paper on a representation to him that this would be necessary for a gate meeting. This statement of his has not been proved by any corroborating evidence. O.P.W. 3 has stated that on enquiry from O.P.W. 1 he came to know that the letter, Ext. C, has not been written by him, but the letter has been manufactured utilising his signature in a blank sheet of paper for the purpose of convening a gate meeting. He told O.P.W. 1 to send him a statement describing the true facts. Ext. D is a letter sent by O.P.W. 1 to him as such. It is clear therefore that Ext. D is merely an obliging letter sent on the request of the employer, O.P.W. 3. It has transpired in the cross-examination of O.P.W. 1 that he went to the police-station during duty hours after taking permission from the opposite party-Company and used the opposite party-Company's car. This complaint was also alleged on 6th October 1964, as is evident

from Ext. H, the date on which the letter Ext. D was sent. O.P.W. 1 has stated that he handed over the document X, which has been marked as Ext. H(1), alleged to be a copy of the G.D entry, to the opposite party-Company. Ext. H(1) actually appears to be a letter sent to the O.C. by O.P.W. 1 in support of the opposite party-Company's case. It has been specifically suggested to O.P.W. 1 that he has sent a letter, Ext. D, for saving his job on threats from the opposite party-Company in any way. O.P.W. 1 does not appear to be a reliable witness, on whose evidence I can accept that the incidents alleged in charge No. 2 to have happened when the opposite part-Company has not examined the other material witnesses, namely, Nani Gopal Sen, Officer-in-charge, and Mrs. Dey, wife of the employer. The petitioner-workman as P.W. 1 has categorically denied the alleged incidents relating to charge No. 2. I disbelieve the evidence of the O.P.W. 1 and so hold that charge No. 2 has also not been established.

As to charge No. 3 there is no specific reference as to time and date when the petitioner-workman was smoking at the time of soldering. O.P.W. 3 again is a lone witness on the point. The opposite party-Company could have easily produced other corroborating evidence, if the allegations would have been true. It is astonishing that the opposite party-Company has all along cautioned the petitioner-workman only verbally as to this misconduct and there are no documents to support the opposite party-Company's case. The petitioner-workman as P.W. 1 has categorically that he ever indulged in smoking during duty hours within the factory premises. If the misconduct would have been a fact, certainly the opposite party-Company would have served written notice of warning upon the petitioner-workman and would have taken earlier steps in the matter. So I accept that charge No. 3 has also not been established.

On my discussions above, I find the petitioner-workman is not guilty of any of the charges framed against him and his dismissal cannot be supported even on the basis of evidence adduced before me at the time of hearing of the present case. The petitioner-workman is therefore entitled to re-instatement and back wages.

This point is so answered in the affirmative.

An award be passed accordingly holding that the petitioner-workman is entitled to reinstatement and back wages and also holding that the order of dismissal passed against the petitioner-workman is not justified and he is entitled to reinstatement and back wages and directing the opposite party-Company to cause reinstatement of the petitioner-workman within one month from the date of publication of this award in the "Calcutta Gazette" and to pay back wages to him since 2nd October 1964 till the date of reinstatement as such, as if his service was never terminated.

This is my award.

New Sri Guru Hosiery, 7 Nather Bagan Street, Calcutta-5, and their workman Shri Tilokdhari Singh, represented by West Bengal Hosiery Workers' Union, 23 Ananda Khan Lane, Calcutta-5, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal;

ANNEXURE

In the matter of an industrial dispute between Messrs. New Sri Guru Hosiery, 7 Nather Bagan Street, Calcutta-5, and their workman Shri Tilokdhari Singh, represented by West Bengal Hosiery Workers' Union, 23 Ananda Khan Lane, Calcutta-5. (Case No. VIII-289/68.)

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri G. B. GHOSH, Judge,

For the Union: Shri Kanai Roy, President.
For the Company: None.

AWARD

By the Government of West Bengal, Labour Department, order No. 5784-I.R./IR/8L-46/68, dated 31st July 1968, an industrial dispute existing between Messrs. New Sri Guru Hosiery, 7 Nather Bagan Street, Calcutta-5, and their workman Shri Tilokdhari Singh, represented by West Bengal Hosiery Workers' Union, 23 Ananda Khan Lane, Calcutta-5, was referred under section 10 of the Industrial Disputes Act, 1947, to this Tribunal for adjudication in respect of the following issue:

Issue

Whether refusal of employment to Shri Tilokdhari Singh from 22nd April 1968, is justified? To what relief, if any, is he entitled?

Usual notices were issued from this Tribunal after receipt of the order of reference. Notice was served

on the Union. The Union appeared and filed its written statement on 2nd September 1968.

The registered notice issued to the Company was returned back with the postal report "not claimed". On 2nd September 1968, I passed an order for issue of a fresh notice under registered post with A/D.. to the Company. This notice again was returned back to this Tribunal on 26th October 1968, as "not claimed". As the aforesaid two notices were not claimed by the Company, the case has thus been taken up today for exparte hearing. The concerned workman Shri Tilokdhari Singh deposed before this Tribunal on oath. According to him he worked under the Company as usual till 21st April 1968, and on 22nd April 1968, when he went to the factory of the Company to work there, he was refused employment by the Company authorities. P.W. 1 further stated on oath that no charge-sheet was served on him and that no enquiry proceedings were also held against him before he was refused employment since 22nd April 1968. P.W. 1 stated on oath that he was refused employment on the ground of his joining the Union. I accept the evidence of P.W. 1 as mentioned above, as correct. Accordingly I hold that the refusal of employment to Shri Tilokdhari Singh from 22nd April 1968, by the Company authorities is not at all justified. I further held that there was unfair labour practice or victimisation in this case. Shri Tilokdhari Singh is entitled to an order of reinstatement and back wages as prayed by him in his evidence.

The Company authorities do reinstate Shri Tilokdhari Singh within one month from the date of publication of this award in the "Calcutta Gazette". The Company do further pay all back wages to Shri Tilokdhari Singh due to him on and from 22nd April 1968, within two months from the date of publication of this award in the "Calcutta Gazette".

This is my award.

And whereas during the pendency of the proceedings before the said Tribunal, a complaint under section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), was filed before it against Messrs. And whereas in pursuance of the Government of West Bengal, Labour Department notification No. 448-I.R./IR/12L-9(A)/67, dated the 30th January 1968, the said complaint was transferred by the said Seventh Industrial Tribunal to the First Labour Court constituted under notification No. 4485-G.E./G/3A-107/66, dated the 7th September 1967 for adjudication;

And whereas the said First Labour Court has adjudicated upon the said complaint and submitted its award to the State Government;

ANNEXURE

In the matter of complaint under section 33A filed by Shri Jagadish Chandra Kundu, 2 Motilal Basak Lane, Calcutta-11, against his employer Messrs. Caxton & Co. 1-B Ashutosh Mukherjee Road, Calcutta-20, referred under G.O. No. 5286-I.R./IR/13L-17/67, dated 5th October 1967. (Case No. 37/68 u/s 33A.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present :

Shri S. P. BAGCHI, Judge.

AWARD

This is an application under section 33A of the Industrial Disputes Act, 1947. Shri Jagadish Ch. Kundu is the complainant. He was in the employ of Messrs. Caxton & Co., the opposite party. His grievance is that the said Company terminated his services with effect from 7th February 1968 by a memorandum, dated the 7th February 1968, quite illegally and wrongfully. He characterised the said order of termination as mala fide and asserted that the said order was a glaring instance of victimisation and unfair labour practices. He prayed for appropriate reliefs.

The original reference out of which this case arises was made under G.O. No. 5286-I.R./IR/13L-17/67, dated the 5th October 1967.

The Company filed its written statement and ultimately 6th February 1969 came to be fixed for compromise or for peremptory hearing by this court on receipt of the case on transfer from the Seventh Industrial Tribunal, West Bengal, on 30th July 1968.

On 6th February 1969 the parties, however, put on record a joint petition stating inter alia that the case had been amicably compromised out of court and that an award should be passed in terms of the said application. I also heard the learned representatives of the parties and the complainant himself in the matter and they all submitted that a settlement as embodied in the petition of compromise had amicably been reached between the parties. I have looked into the petition of compromise and I consider that the terms thereof are lawful, fair, and reasonable. I accordingly accept it and pass a 'No-dispute' award. The joint application of compromise do form part of the award.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri H. N. SEN, Judge,
Second Industrial Tribunal.

By order No. 3525-I.R./IR/11L-243/67, dated the 14th June 1968, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. Mitra Das Ghosh & Co., and their workman Shri Tarak Nath Kolay, under section 2A of the Industrial Disputes Act, for adjudication on the following:

Issue

Whether the termination of service of Shri Tarak Nath Kolay is justified ? To what relief, if any, is he entitled ?

Upon receipt of the reference usual notices were issued asking parties to file their written statements. The workman concerned filed written statement as bar back as on 22nd July 1968. After several adjournments the Company filed written statement on 31st August 1968. Thereafter the Company did not turn up on the dates of hearing. It appears from the record that the workman concerned filed an application seeking for time to file additional written statement but no additional written statement was filed. The concerned workman presented himself on 30th January 1969 and verbally submitted for a short adjournment. That prayer was allowed as a last chance and it was impressed upon him that no further adjournment would be given on the same score. On the next day, i.e., 13th February 1969 the workman again presented himself and verbally submitted for an opportunity to file additional written statement. That prayer was rejected at that belated stage and the case was adjourned to 20th February 1969 for hearing. On the last hearing date both the Company and the workman were absent. The Tribunal waited up to 12.5 p.m. As the workman concerned did not turn up and Company was also absent, this Tribunal presumes that the dispute had either been settled out of Court or the dispute had ceased to exist, under Rule 22 of the West Bengal Industrial Disputes Rules, 1958. In the circumstances the Tribunal disposes of the reference by passing a 'no dispute' award in this case.

AWARD

By order of the Governor under Government of West Bengal, Labour Department, order No. 2132-I.R./IR/11L-168/66, dated Calcutta, the 28th May 1966, an industrial dispute between Messrs. Ganguram Grandsons, 81/B Shyama Prosad Mukherjee Road, Calcutta (hereinafter called the Company) and their workmen represented by the West Bengal Shops & Establishment Employees' Association, 13A Creek Lane, Calcutta-14 (hereinafter called the Association), was referred to the Second Industrial Tribunal for adjudication. Thereafter by order of the Governor under Government of West Bengal, Labour Department, order No. 3115-I.R./IR/11L-168/66, dated Calcutta, the 5th August 1966, the said industrial dispute was withdrawn from the file of the Second Industrial Tribunal and transferred for speedy disposal to the Seventh Industrial Tribunal.

Issue

Whether the retrenchment of the following workmen is justified ? To what relief, if any, are they entitled ?

1. Shri Chunilal Paul,
2. Shri Biswanath Ghosh,
3. Shri Tarapada Ghosh,
4. Shri Nimai Adhikari,
5. Shri Lakhman Chandra Ash,
6. Shri Lakhan Chandra Mati,
7. Shri Gour Mohan Khan,
8. Shri Sarat Kumar Ghosh,
9. Shri Bankim Chandra Bera.

The parties filed their written statements and the case became a contested one. The Company wanted a hearing on the preliminary point raised by it challenging the locus standi of the Association to raise this dispute. The Company examined one witness and the preliminary point was heard on. By its order No. 23, dated 9th January 1969, the preliminary point raised by the Company was disposed of. The Tribunal ordered, on hearing the parties on the merit of the preliminary point of objection, as follows :

> .....The contention of the Company that the Union is a stranger Union unconnected with the factory is not supported by the partner of the Company. In the circumstances, the preliminary point of objection raised by the Company falls flat and hence the point must be decided against the Company. As the objection raised by the Company does not succeed, the case will be heard on merit.

21st February 1969 was the date fixed for hearing the case on merit. On 18th February 1969 Shri S. Chatterjee, General Secretary of the Association, appeared for the Association and Shri D. K. Das Gupta, Advocate, appeared for the Company. A joint petition of compromise was filed by the parties. The petition filed by the parties is taken up for consideration today.

I have perused the joint petition of compromise filed by the parties. The petition of compromise is signed by Shri Ramji Chaurasie, one of the Partners of Ganguram Grandsons and by Shri S. Chatterjee, General Secretary, West Bengal Shops & Establishment Employees' Association. From a perusal of the petition it appears that the dispute between the Company and the Association has been amicably settled on the basis of give and take. In my opinion, the terms of settlement on the whole, are fair and reasonable. The parties to the dispute have felt satisfied with the terms of settlement and there is no reason why this Tribunal should not accept the same, specially, when no one appears to raise any objection to the joint petition of compromise

filed by the parties. Hence accepting the petition of compromise filed by the parties, I hereby pass a compromise award in terms of the petition which shall form an integral part of this award and be published as annexure 'A' to this award.

Usual number of copies of this award be sent to the State Government for necessary action.

AWARD

By the Government of West Bengal, Labour Department, order No. 5322-I.R./IR/11L-282/68, dated the 19th July 1968, an industrial dispute existing between Messrs. Krishna Chandra Dutta (Spices) Pvt. Ltd., 235 Maharshi Debendra Road, Dutta Buildings, 2nd Floor, Calcutta-7, in respect of their factory at Cossipore, and their workmen employed in the said factory, represented by Cossipore Mazdoor Sava, 42/H/2 Lockgate Road, Calcutta-2, was referred under section 10 of the Industrial Disputes Act, 1947, to this Tribunal for adjudication in respect of the following issue :

Issue

Whether the closure of the factory at 6-8, Cossipore Road, Calcutta-2, with effect from 2nd May 1968, is real and bona fide ? Whether the closure is beyond the control of the management and in the circumstances justified ? To what relief, if any, are the workmen entitled ?

Usual notices were served on the Company as well as the Union from this Tribunal, after receipt of the order of reference.

The Union appeared and then filed its written statement on 7th September 1968. The Company also appeared and filed their written statement on 14th January 1969. Then this case was fixed on 19th April 1969 for fixing a date of hearing of this order of reference. In the mean time on 13th February 1969, the Company as well as the Union have filed a joint petition stating that the parties had amicably settled the issue out of Court any praying for passing a "no-dispute" award. So at present no industrial dispute is pending between the Company and the Union requiring adjudication by this Tribunal. A Memorandum of Settlement arrived at by the parties was also annexed to the joint petition. The joint petition has been signed by Shri J. Dutta, Director of the Company and by Shri N. Roy, the Vice-President of the Union. The joint petition has also been filed under the signature of Shri B. K. Mukherjee, Advocate. I have heard all of them in person and I am of opinion that at present no industrial dispute between the Company and the Union is pending requiring adjudication by this Tribunal.

Accordingly I pass a "no-dispute" award in this case, as prayed jointly before me by the Company as well as the Union.

This is my award.

In the matter of an application under section 33A of the Industrial Disputes Act filed by Shri Niranjan Prosad Singh and 4 others in connection with G.O. AWARD

This is an application made by 5 workmen of M/s. All India General Transport Corporation Ltd.—Sarvasri Niranjan Prasad Singh, Satyanarayan Singh, Benoy Bhusan Roy, Mihir Lal Dutta and Ranjit Kumar Sen under section 33A of the Industrial Disputes Act making certain complaints and asking for appropriate reliefs consequent upon such complaint against the management of the aforesaid Company.

Their case is that they were employed in Howrah section of the Company and they were suddenly ordered to be transferred to Delhi. After certain conciliation proceeding their such dispute was referred under G.O. No. 5984-IR, dated 16th November 1967 to this Tribunal under section 10 of the Industrial Disputes Act.

The issue was—whether the transfer of certain workmen including these five from Howrah to Delhi is justified ? To what relief, if any, are they entitled ?

In the mean time all the workmen who were working in Howrah started working in the Calcutta Branch of the Company that is to say at 13/1 Syed Sally Lane as the Howrah Section was eventually closed and their grievance was that they were not provided—"with any seats and/or sitting accommodation and thereby they were passing their days during the office hours by almost standing". The workmen's further grievance was that the said transfer caused alteration of the conditions of service of the workmen concerned to the prejudice and I was called upon to pass necessary reliefs under the said complaint under section 33A of the Industrial Disputes Act.

I made my award on 10th February 1969 on the said reference under section 10 of the Industrial Disputes Act. In my award I held the transfer from Calcutta to Delhi was not justified and I further directed that the said 5 workmen—Sarvasri Niranjan Prasad Singh, Satyanarayan Singh, Benoy Bhusan Roy, Mihir Lal Dutta and Ranjit Kumar Sen would be entitled to all their pay accrued due in the mean time with the necessary deductions of any payment that were already received by them.

Today Mr. Ghosh only formally moved this application. He did not adduce any evidence and I think in view of the award that has already been passed by me, no further reliefs can be granted under the present application under section 33A of the Industrial Disputes Act. The application is disposed of accordingly.

To

The Assistant Secretary,
Labour Department,
Government of West Bengal

In the matter of
The Corporation of Calcutta

And

Its Workmen in the "Water Supply to Shipping" Department (excluding clerks and peons) represented by the Calcutta Corporation Water Supply Employees' Union and Calcutta Corporation Workers' Union.

Dear Sir,

Reference your communication No. 3623-I.R./IR/14L-9/68, dated June 18, 1968, on the subject of arbitration of the Industrial dispute between the parties aforesaid, I have to say that I make the following award in respect of the issues referred to me and communicate the same to you to enable further action to be taken in the matter.

In the proceedings before me several documents and a number of statements on behalf of the parties were filed. I heard the parties appearing through counsel, inspected an actual operation of supply of water to a waiting ship in order to be able to appreciate the respective cases of the parties and perused the statements and documents filed by them.

I am thankful to counsel on both sides for their continued co-operation and I place on record my appreciation of the services lent by the Corporation of Shri Abani Banerjee who reported the proceedings so ably and diligently.

The record of the proceedings is being sent in a separate cover the receipt of which may kindly be acknowledged.

I propose to send a copy of the award to each of the parties after this will have reached your hands.

Yours faithfully,

Debabrata Mookerjee,
Arbitrator.

The Dispute

The substantial point of dispute is raised by Issue (A) below. The workers complain of extremely hard conditions of work described as inhuman which oblige them to be on boats and barges all the time, during day and night without intermission, except for short occasional intervals of absence permitted by the employer. The employer Corporation admits the hardship of the situation but contends that it attaches to the very nature of the work to be done and is therefore a condition of service. The Corporation also pleads financial stringency, the recurring losses sustained by the Department, and says that introduction of the system of shifts would entail increased expenditure which it is unable to bear. I have given these and other matters on the record, my anxious consideration and I am persuaded that supply of water to ships visiting the Calcutta Port being a statutory duty of the Corporation, means have to be found to enable it to discharge that duty. It has to provide the service and provide for its workmen normal conditions of work.

AWARD

Upon a consideration of all the materials placed before me and upon hearing the parties through their respective counsel I make the following award :

Issues or Specific Matters in Dispute

Issue (A)

"whether the claim for introduction of two-shift duty for the employees (excluding clerks and peons) in the "Water Supply to Shipping" Department of the Corporation of Calcutta is justified according to the requirements of the work for which they are employed ? If so, what should be the hours of work, the rate of overtime allowance and the basis of calculation of the rate ?"

(1) The claim for the introduction of shift duty for the employees (excluding clerks and peons) in the Department of Water Supply to Shipping is justified in view of the present requirements of the work for which they are employed.

(2) The number of shifts would depend on the total workload to be handled. In the interest of efficient discharge of its statutory obligation to supply water to ships, the Corporation will be entitled to make such adjustments, including rationalisation, as may be necessary in the complement of crew on boats and barges out of commission, and of crew on "Barge protection duty" or "*Ban* duty".

(3) Subject to such exemptions as are allowed or may be allowed under any law for the time being in force in this behalf as respects the number of working hours—

(i) The shifts should be so arranged as not to require any worker to work for more than nine hours in any day and forty-eight hours in any week.

(ii) Except for the operational need of completing a trip or for exigencies of river cruising the period of work at one stretch should not exceed five hours

whereafter a worker will be entitled to rest for half an hour ; the periods of work will be so adjusted that inclusive of intervals of rest, they shall not spread over more than ten and a half hours in any day.

(iii) Should the working hours exceed nine hours in any day or forty-eight hours in any week, the worker concerned will, in respect of overtime work, be entitled to wages from the employer Corporation at the rate of twice his ordinary rate of wages.

Consequentially, the system of overtime payment to workers on trip-basis as obtaining at present will be discontinued, and overtime charges realised from Shipping Agents will be appropriated to the Corporation's funds.

"Ordinary rate of wage" would mean basic wage plus such allowances including the cash equivalent of the advantage accruing through the concessional sale, if any, of foodgrains and other articles.

For the purpose of computing cash equivalent of the advantage accruing through the concessional sale to a worker of foodgrains and other articles, the difference between the value of foodgrains and other articles at which these are purchased by the Corporation and the value of foodgrains and other articles supplied at concessional rates will be calculated and allowed for the number of overtime hours worked.

Issue (B)

"In the event of Issue No. (A) above being answered in the negative, what relief will the employees concerned be entitled to ?"

In view of the award given on Issue (A) this issue does not arise.

Issue (C)

"What should be the daily hours of their stay on the boats and the barges of the Corporation and on what terms ?"

The hours of stay on boats and barges being co-terminous with working hours including overtime, the award on Issue (A) covers this issue.

Issue (D)

"Leave and holidays for the employees concerned".

A worker will be entitled to one off-day or holiday in a week. It would be open to the employer Corporation to stagger the weekly holiday for the workers in the interest of maintaining regular supply of water to ships.

The workers and the employer Corporation having, by an Agreement, dated August 19, 1968, arrived at a settlement on the question of leave and leave allowances, an attested copy of which has been filed in these proceedings, and to which they adhered at the hearing before me, there is no outstanding dispute between the parties and therefore no separate award on this account is called for. The said Agreement will prevail.

Issue (E)

"Compensation in case of employment injury."

The parties being agreed that compensation for employment injury will be determined in accordance with the provisions of the workmens' Compensation Act, 1923, no specific award is necessary.

Issue (F)

"Medical benefits".

The medical benefits now enjoyed by the workers of this Department are adequate by the usual standards and no revision by way of award is called for.

AWARD

By the Government of West Bengal, Labour Department, order No. 4219-I.R./IR/11L-372/66, dated the 1st November 1966, an industrial dispute between Messrs. The East India Clinic Ltd., 8/5 Alipore Road, Calcutta-27, and their workmen employed at the Registered Head Office and Nursing Home at 8/5 Alipore Road, Calcutta-27, and at the Pharmacy at 12 Russel Street, Calcutta-16, represented by East India Clinic Employees' Association, Q-313A Umesh Niogi Road, Calcutta-24, was referred under section 10 of the Industrial Disputes Act, 1947, to this Tribunal for adjudication in respect of the following issues:

Issues

(1) Wages.
(2) Tiffin or Lunch allowance.
(3) Gratuity.
(4) Whether Shri Kamal Khan and the heir/heirs of late S. C. Mukherji are entitled to any gratuity?
(5) To which grade are Shri S. S. Biswas, Shri S. C. Das and Shri T. C. Kar eligible?
(6) Leave facilities.

Usual notices were served on the Clinic as well as the Employees' Association from this Tribunal, after receipt of the order of reference.

The Employees' Association appeared and then filed its written statement on 9th December 1966. The Clinic also appeared and filed their written statement on 6th February 1967.

Admittedly the East India Clinic Ltd., was registered and incorporated on the 23rd October 1946 as a Company Limited by guarantee under the Indian Companies Act. The objects of the Clinic would appear from the Memorandum and Articles of Association (vide Ext. G) as to maintain and manage a hospital and maintain connected ancillary services in the shape of dispensaries, pharmacies and so on for the use of individual members and their families and others as are of westernised habits and diet but without regard for their race, descent, language, religion, domicile, residence or duration of residence. The commercial community of Calcutta, both European and Indian was for both many generations usually hospitalised at the Presidency General Hospital and at some private Nursing Home in the city; one being "Riordans Nursing Home". The Misses Riordan who ran the said Nursing Home, decided to leave this country sometime in the year 1944 and as such on the 18th May 1944, Nursing Home Syndicate was formed on the departure of the Misses Riordan to take over and run their said Nursing Home until such time as a more permanent organisation could be set up to maintain adequate Nursing Home facilities in Calcutta for the commercial community. The Nursing Home Syndicate was thus the fore-runner of the East India Clinic Limited. The said Nursing Home Syndicate carried on until the 14th February 1947, when the Nursing Home was officially handed over to the East India Clinic Ltd., which was incorporated on the 23rd October 1946 (vide Ext. G). The Riordans Nursing Home was transferred to the Clinic with effect from the 12th January 1947 at a consideration of Rs. 2,16,000. The Clinic also took over the Elgin Nursing Home and spent about Rs. 1,35,000 sometime between November, 1948 and March, 1949 for modernising the same so as to meet the needs of the patients. As there was a shortage of imported drugs and pharmaceuticals in Calcutta during post-war years and as adequate quantity of genuine drugs was not available in the market, the Clinic started its Pharmacy at Russel Street in May, 1950. As the Riordans Nursing Home and the Elgin Nursing Home, during subsequent years, proved very inadequate, the Clinic decided to build a new Nursing Home to meet the ever increasing demand. Thus on the 27th October 1950 the Maharajah of Cooch Behar's dilapidated house at Woodlands in Alipore with two acres of land, were purchased for Rs. 6,30,000 for building the new Nursing Home there. Capital was raised for the new project in the form of debentures from member firms and others who wished to join in, and also by raising donations from many members. From September, 1950 till March, 1951, the proposed issue of debentures was held up by the West Bengal Government's insistence that the new Nursing Home must be open to all and not only to those of western habits and diet. A formula was subsequently found in "Open to all provided only that they agreed to abide by the Rules of the Clinic" and the issue of debentures was finally completed in 1953. The demolition of the old Woodlands Palace was completed by June 1952 and the building of the new Nursing Home was started and completed in due course [vide Ext. F(1)]. This Woodlands Nursing Home was opened in August, 1959. It is further admitted that the said building is centrally air-conditioned and has 94 beds having at present room charges with effect from 1st July 1966 as follows:—

Special Room—Rs. 100 (Old rate Rs. 100). (There is only one such room in the Nursing Home).

Single room with own bath—Rs. 90 (Old rate Rs. 88).

Single room with sharing bath—Rs. 80 (Old rate Rs. 80).

2-bedded room—Rs. 70 (Old rate Rs. 56).
4-bedded room—Rs. 60 (Old rate Rs. 44).

Members of the Clinic, of course, are allowed a discount of 20 per cent. on the above rates. There are separate fees for use of Operating Theatres and

for confinement. It is further admitted that consolidated (basic and D.A.) grades and scales of pay were in force with the fixed annual increments for all categories of staff, fixed first in the year 1950 which were revised with effect from 1st January 1958 and further revised with effect from 1st January 1962. During the period these consolidated wages were in force, except for the annual grade increments. There was no other increase in wages on account of continuous rise in the cost of living index (vide Ext. 1). In January 1964, it is also admitted that the consolidated pay scale was discontinued and the present grades and scales of basic pay and D. A. at Bengal Chamber of Commerce Scale linked with cost of living index was introduced (vide Ext. 1). The Association was informed about these scales of pay and D. A. to the employees of the Clinic by the letter Ext. 2(f), dated 2nd March 1964. The Employees' Association in their letter, dated 6/9th April 1964, informed the Clinic about their satisfaction regarding the contents of Ext. 2(f) [vide Ext. 2(g)]. In June 1964, i.e., within 3 months from the date of Ext. 2(g), the Association submitted their charter of demands with the Clinic. The matter was then referred to the Labour Directorate. Conciliation proceedings having failed, the instant order of reference was made.

The Employees' Association in its written statement contended inter alia that due to the intransigent attitude of the Clinic authorities, the dispute over the charter of demands could not be settled during the conciliation proceedings. The existing scales of pay of different employees and their present demand as mentioned in Annexure 'A' of the written statement are as follows :—

Cooks and Tailers: Rs. 51—4—71—5—131	Rs. 52—5—157.

It has been alleged that as the Clinic is being run on no profit no loss basis, the Clinic's capacity to pay is virtually unlimited. The Matron and the Assistant Matrons are provided with quarters within the air-conditioned Nursing Home premises. Their messing is also provided by the Clinic free of charge. The Accountant and the Nurses numbering about 60 and also the house-keeper are provided with one full meal each along with tiffin free of charge, the average expenditure on this account

comes to about Rs. 8 per day per head. So, tiffin allowance at the rate of Re. 1 is claimed for all classes of workmen. It has again been alleged that the Clinic had all through been paying gratuity to all its employees, on death, retirement and on superannuation or resignation with the Clinic's permission, although it had no announced rules in this regard. As the present Secretary Shri G. I. S. Kuller is of the view that the employees are not eligible for gratuity, since there is no rule to that effect, the heirs and successors of late Shri S. C. Mukherji and also Shri Kamal Khan did not receive any gratuity, although Shri S. C. Mukherji died after 15 years of service and Shri Kamal Khan retired from service of the Clinic. The Association claims that the scheme of gratuity to the extent of one month's basic salary last drawn, for each completed year of service should be framed. There was previously no graded salary in the pharmacy. The incharge of the dispensing department and the incharge of the branch of the pharmacy at Woodlands Nursing Home, used to receive special consideration in their emoluments prior to 1st January 1964. Shri S. S. Biswas, originally a pharmacist, was promoted to that position. He was chosen for this promotion because of his merits. He was not only given a special increment for promotion to that position and also allowances on two heads amounting to about Rs. 100 per month. Shri T. C. Kar was incharge of the dispensary of the main pharmacy. While he was promoted to this position, he was granted Rs. 25 per month at the initial stage, which was later on integrated in his salary along with special increment. 4 or 5 months prior to the change over in January, 1964, Shri S. S. Biswas was transferred back to the Pharmacy as an ordinary pharmacist and Shri T. C. Kar was transferred to the branch pharmacy at the Nursing Home as incharge of the same. But Shri T. C. Kar was not paid the allowances that had been paid to Shri S. S. Biswas and on the other hand, the allowances paid to Shri S. S. Biswas were naturally withdrawn. On the transfer of Shri T. C. Kar to the branch pharmacy of the Nursing Home, Shri S. C. Das was made the incharge of the dispensing department of the main pharmacy but neither his salary was increased nor any other allowances were granted to him. On the introduction of graded scale of salary for the employees of the pharmacy, the wholesale assistants were granted a scale of Rs. 110—7—180—E.B.—10—230; whereas the pharmacists were granted a scale of Rs. 82—4—134—E.B.—7—180, which scale is substantially lower than the scale granted to the wholesale assistants. The Association claims that Shri S. S. Biswas should be given the grade of a wholesale assistant, so also Shri T. C. Kar and Shri S. C. Das. It has next been alleged that prior to the change over in the pharmacy with effect from 1st January 1964, the subordinate staff of the pharmacy were in enjoyment of the following leave facilities:—

1. Privilege Leave—30 days.
2. Sick Leave—None in particular.
3. Casual Leave—10 days.

But the Clinic unilaterally changed the leave facilities as follows:—

1. Privilege Leave—21 days.
2. Sick Leave—30 days.
3. Casual Leave—7 days.

The Association claims that in the minimum the employees should be given:

1. Privilege Leave—30 days.
2. Sick Leave—30 days.
3. Casual Leave—10 days.

The Clinic in their written statement contended that it is a Public Limited Company run according to the generally accepted commercial practices. The financial position of the Clinic was very precarious all along from the year 1962, which would appear from the following details:—

The allegation in the Association's written statement to the effect that the Clinic's capacity to pay is virtually unlimited has been denied. According to the Clinic its workmen were represented by two Unions, i.e., the East India Clinic Employees' Association and the All Bengal Hospital Workers' Union. In October, 1964, the two Unions submitted list of demands. There were discussions and the Unions afterwards amended their demands. Further negotiations took place with the Unions in the year 1965 and 1966, and under the auspices of the labour and conciliation officers, a three-year tripartite agreement, dated 12th August 1966 (vide Ext. L), covering additional D.A. to nurses, tiffin, supplementary allowance of clerks, increase in Provident Fund rate at 8⅓ per cent. and certain other benefits to be enjoyed by the employees, was entered with the All Bengal Hospital Workers' Union. But the Employees' Association insisted on their demands for upgrading the scales of Pay, Gratuity, Leave facilities, and increase in tiffin allowances, i.e., the matters covered by the issues of this order of reference. According to the Clinic, the nurses and the equivalent staff are given one free meal and tiffin daily, but this is more than made up in the fact that their quantum of D.A. had been fixed at a lower scale, taking the free meals (the equivalent of Rs. 4.50 per day) into account. The assertion of the Association that the Clinic had all along been paying gratuity to all its employees on death, retirement, on superannuation or resignation, has been categorically denied. On the other hand, it has been asserted that the Clinic had never any gratuity scheme and never paid any amount to its employees as gratuity. The Clinic had on occasions in the past made ex-gratia payments, taking the compassionate nature of each case into account. Accordingly, the claim of the Association that Kamal Khan and the heirs of Shri S. C. Mukherji should be given gratuity monies, has been denied. Financial condition does not call for framing any gratuity scheme. Prior to the 1st January 1964, Phamacy employees' leave terms, both for clerks and subordinates, were as under :—

(i) Privilege leave on full pay—30 days (accumulation allowed up to 60 days).

(ii) Sick Leave—None in particular.

(iii) Casual Leave—10 days on full pay.

(iv) National Holidays—4 days on full pay (23rd, 26th January, 15th August and 2nd October).

(v) Festival holidays and holidays under the Negotiable Instruments Act—16 days on full pay.

Annual total—60 days (plus 52 Sundays or off days).

When the pay scales and other terms of employment were revised from 1st January 1964, the details of leave from that date are stated as follows :—

Clerks and Equivalents :

(i) Privilege Leave—30 days on full pay (accumulation up to 60 days allowed).

(ii) Sick Leave—30 days on full pay plus 60 days on half pay.

(iii) Casual Leave—7 days on full pay.

(iv) National Holidays—4 days on full pay.

(v) Festival holidays and holidays under the N. I. Act— 16 days on full pay.

Annual Total—87 days (plus 52 Sundays or off days).

Subordinates :

(i) Privilege Leave—21 days on full pay.

(ii) Sick Leave—30 days on full pay.

(iii) Casual Leave—10 days on full pay.

(iv) National Holidays—4 days on full pay.

(v) Festival and other holidays—16 days on full pay.

Annual Total—81 days (plus 52 Sundays or off days).

It has further been asserted that all employees were allowed to accumulate leave for two years. According to the Clinic the existing scales of pay, tiffin or lunch allowance and leave facilities and other terms of service of the workmen are just, reasonable and adequate and having regard to the financial position of the Clinic, any revision will not be just and proper. The Clinic is not in a position to bear any additional financial burden in respect of increased wages, introduction of gratuity scheme, raising tiffin or lunch allowance, without damaging the very fabric of the Clinic's working. It has also been asserted that Shri S. S. Biswas and Shri S. C. Das are not eligible for any other grade than the grades at which they are at present placed.

Eight witnesses were examined on behalf of the Association. P.W. 1 is an employee of Messrs. I.C.I. of India (Private) Ltd. He produced and proved an agreement between the said Company and their Union, Ext. 1, dated 13th April 1966, over their Union's demands on various counts including wages, etc. P.W. 2, an employee of Messrs. G.E.C. of India Private Ltd. has similarly produced and proved Ext. 1(a), a copy of 5-year agreement till March, 1969, regarding the employees' claims on various accounts. P.W. 3, Shri P. K. Choudhury, an employee of Messrs. Atlantis (East) Ltd. has produced the agreement Ext. 1(b), dated 9th November 1967, fixing the different benefits to be enjoyed by the employees of the said Company. P.W. 4, Shri N. G. Dutt, Vice-President of Guest Keen Employees Head Office Union also produced and proved the copy of an agreement Ext. 1(c), dated 14th September 1967, between the employees Union and the said Company fixing the benefits on different counts to be enjoyed by the employees of the said Company. P.W. 5, Shri Gour Mohan Ghorai, General Secretary of West Bengal Hospital Employees Association spoke nothing in connection with the disputes referred for adjudication in this order of reference. P.W. 6, Shri M. Chakravarty, an employee of Messrs. Parry & Co. Ltd. and also Joint Secretary of the Employees' Union also produced and proved the copy of the settlement, Ext. 1(d), dated 1st August 1967, to remain in force till 31st May 1970, regarding the different benefits including wages to be enjoyed by the employees of the said Company. P.W. 7 is Shri S. S. Biswas, who joined the Clinic as wholsale assistant in July, 1957. P.W. 8, Shri Nanda Lal Ram, is now posted as a bearer at Woodland Nursing Home under the Clinic. On the other hand, Shri G. I. S. Kuller, the Principal Officer of the Clinic, has been examined as the sole witness on behalf of the Company. He took charge of the Clinic

in 1961, after retiring from Indian Army in the same year. He works in three capacities :—

(a) as Secretary of the Company in the Registered Head Office ;

(b) as Chief Administrative Officer of Woodlands' Nursing Home ; and

(c) as Managing Secretary of the East India Clinic of the Company.

I may also mention here that out of 204 employees working in the Woodlands' Nursing Home, 131 are involved in this order of reference. 61 out of 62 employees working in the East India Clinic Pharmacy are also involved in this order of reference.

I first take up for decision issue No. 1 : Wages.

I have already mentioned above that the East India Clinic Ltd. was admittedly registered and incorporated on the 23rd October 1966, as a Company, limited by guarantee under the Indian Companies Act. The Woodlands' Nursing Home was admittedly started in 1959. The Pharmacy in Russel Street was also started in the year 1950. It is also admitted that consolidated (basic and D.A.) grades and scales of pay were in force with fixed annual increments for all categories of staff, fixed first in the year 1950, which were revised with effect from 1st January 1958, and again further revised with effect from 1st January 1962. It is also admitted that with effect from 1st January 1964, the consolidated pay scale was discontinued and the present grades and scales of basic pay and also D.A. at Bengal Chamber of Commerce Scale, linked with the cost of living index was introduced (vide Ext. I). I have also described above the existing scales of pay and the Union's present demand for different categories of employees, while stating the written statement of the Association.

It is true that the grades and scales of pay are long-term policy and should not be changed at frequent intervals, unless change of circumstances occur or some reasons exist. The Association in this case based its claim on Company's unlimited capacity to pay. It has been contended that the Pharmacy was making large profits and the Nursing Home is only suffering loss. But the financial position of the Company as a whole including all its various activities has to be considered. The Tribunal, to which question of introduction of a new wage-structure or of revision of an existing wage-structure is referred for adjudication, has to deal with the problem keeping in mind three primary factors. Firstly, the Tribunal has to decide whether the prevailing wage rates and scales in the establishment require to be changed and increased. For this purpose, the rule is that if the existing wage rates and scales were fixed many years ago and since then there has been a material rise in the cost of living in the region, primarily a case for increase exists and a new wage-structure with enhanced rates and scales must be determined. Once the Tribunal comes to the conclusion in the affirmative, as to the necessity of effecting an increase in the wage-structure, then it is to be decided that the employer's financial position is such as the same could bear an additional burden. Decision on this question is a condition precedent to the effecting of any upward revision of the existing wage-structure. In deciding this question the Tribunal must act on the basis of the industry-cum-region principle and must take into account the rates and scales of wages prevailing in comparable concerns in the same industry in the same area or region. A case for revision of the wage-structure exists when there has been a rise in the cost of living in the region since the time when the wage-scales were last fixed. The test for determining whether a case for revision exists is whether or not a change in economic conditions has come about since wage-scales were last fixed. Existence of a scheme of dearness allowance linked to the rise in the cost of living is no answer to the workmen's demand for revision of the wage-structure on the ground of increase in the cost of living since the wage-structure was last fixed.

I have already mentioned above that since 1st January 1964, the existing scales of wages have been fixed. Now, it cannot be denied that since 1st January 1964, cost of living has greatly increased in this region at Calcutta. Now, it is to be seen as to whether the Clinic has a financial capacity to bear the extra burden as claimed on behalf of the Association. The report of the governors with accounts starting from the year ending 1953 till the end of 1967, have been produced and marked as Exts. 3 series. Ext. H is such report for the year ending 1967 and published on 17th May 1968. It is admitted in this case that the Pharmacy of the Clinic has been making large profits all along, whereas the Nursing Home has been suffering loss year after year. But I have already mentioned above that the financial capacity of the Company as a whole including all its various activities has got to be considered and not of any section or branch or department. Present financial ability and also the prospect of the Company in the near future must be there to justify an increase. In this connection it is also to be remembered that the Clinic is being run on no profit or no loss basis. Ext. H shows that the Company's total accumulated loss increased in the year 1967 to Rs. 10,39,290. Besides this loss, the following are also to be noted from Ext. H—

Debenture Loan :—Rs. 37,94,117.
Liability for unpaid interest (on debenture)—Rs. 98,948

Capital (members' contribution)—Rs. 30,00,000.
Capital has also been used in acquiring fixed assets of Rs. 62,48,938.

(Schedule I, last page of Ext. H).

Thus, the fixed assets were acquired by using entire capital and major portion of debenture loan. Company's entire assets are also mortgaged against debenture. The reserves are practically nil. Development rebate of Rs. 4,70,000 is only to be utilised for Company's development. The financial position of the Company shows that there is already a loss over Rs. 10 lacs and practically there is no reserve. No reserve was even created to redeem the debenture loan nor there is any depreciation reserve although during the last few years, considerable total depreciation has been charged. This has been utilised in running the Company, i.e., paying wages and meeting other expenses. These facts prove that the Company's financial position is not at all stable (vide Ext. N). The Company's future prospects are not at all bright. It appears from the evidence

of O.P.W. 1 that sometime back another good Clinic being Belleview Clinic has been opened, which Clinic is attracting patients. It further appears from the accounts of the Clinic that during the years 1963-67 in the Nursing Home, wages have been increased from Rs. 6,02,416 to Rs. 9,00,715 ; while in the Pharmacy during the same period increased from Rs. 1,96,523 to Rs. 2,82,170 (vide Ext. N). The Association's claim for revision of wages on the ground of unlimited capacity does not stand at all. The Association made no complaints with the existing scales as unfair or below the minimum wages.

The comparable units produced on behalf of the Association and as deposed by P.Ws. 1 to 6, are not the comparable units at all. None of them runs any Nursing Home nor any Pharmacy, as are run by the Company in question. No balance-sheet of any of those Companies have been produced to show the financial position. So I do not consider any of these Companies' employees being P. Ws. 1 to 6, as a comparable unit in this case. On the other hand, P.W. 7 in cross-examination admitted that there are Frank Ross, Deys' Medical Stores, Saheb Singh, etc., which are Pharmacists and Chemists in Calcutta. But the Association did not call for them. On behalf of the authorities not a single comparable unit has been produced, excepting a comparative chart of Dey's Medicals and R. G. Kar Hospital and Bellevue Clinic, Ext. K.

On the evidences on record I hold that the present financial position of the Company is very bad and that the future prospect of the Company is not also bright. But in this case the Association's claim towards increment in wages is not much, and after January 1964, I hold, that there has been a substantial rise today in the cost of living index in Calcutta. Considering the aforesaid circumstances as mentioned above, I am inclined to give the little increment, as fixed below, which extra financial burden, I hold the Clinic would be able to bear.

As regards the scales of pay of Senior Stenographer and Accountant I may mention here that admittedly both of them have reached the maximum of Rs. 300 of the present scale of pay. Their existing scale as appearing from Ext. I is Rs. 110—7—180—10—260—15—300. I fix this grade at Rs. 120—10—260—15—380. I give below a tabular form, showing the existing scales of the different classes of employees covered by this order of reference, the Association's demand in this respect, and the scale as allowed by this Tribunal :—

The aforesaid scales of pay in the 3rd column of the different classes of employees covered by this order of reference shall take effect from 1st March 1969. Workmen should be fixed in the new scales according to their present pay and if it did not coincide with any stage of the new scale, it should be stepped up to the nearest higher step in the scale. Every employee whose salary does not exactly fit in in the revised scales or pay, will be given marginal relief so as to bring him up to the next step of the revised scale of pay The aforesaid scales as fixed by me would not hamper the financial position of the Clinic as the Clinic would be entitled to raise funds if necessary by raising the charges of the beds and also raising the charges of other necessary fees. Issue No. 1 is thus disposed of.

I then take up Issues Nos. 3 and 4 together for decision as they are inter-related. Admittedly there is no written scheme for gratuity in existence in the Clinic. According to the Union, the Clinic had all along been paying gratuity to all its employees who died, retired on superannuation or resigned with the Clinic's permission. Although it had no announced rules or regulations in this behalf. It is admitted that Shri S. C. Mukherji while in service of the Company died on 4th January 1964. Another employee Shri Kamal Khan has also retired on 31st October 1964, from the services of the Company. The wife of Shri S. C. Mukherji was given a sum of Rs. 2,750 approximately as provident fund money. On this account of provident fund money, Rs. 2,520 was also given to Kamal Khan. According to P.W. 7, Shri S. S. Biswas, till about 1960 employees of this Company did get gratuity on death, retirement, etc. P.W. 8, a bearer now posted at Woodlands Nursing Home, stated that the heirs of his brother Ram Asis Ram, another bearer at Nursing Home who died while in service got gratuity. P.W. 7, has admitted in his evidence that whatever payment was made to the employees after retirement or death, that was an ex-gratia payment. P.W. 8 also admitted that his brother Ram Asis Ram was treated at the expenses of the Company and out of pity paid the gratuity money to the heirs of Ram Asis Ram.

According to the written statement of the Clinic and also according to D.W. 1, in his evidence, payment of gratuity to any of the employees of the Clinic, who died, retired on superannuation, was never made. D.W. 1 Mr. Kuller stated that they have got no gratuity scheme in operation. Exts. O and O(1) are two statements showing the total number of employees leaving the Company's services after serving different periods by way of resignation, superannuation or ill-health. Ext. O is a list of permanent workmen of the Pharmacy, who resigned, discharged, superannuated, or died between 1957 and 1968. The total number of such employees is 43. Out of them only in 3 cases some monetary help was made—(1) a case of T.B.; (2) a case of stroke Coronary Thrombosis; and (3) a case of Asthma and Heart Troubles. Ext. O(1) is the list of such permanent staff other than nurses, who left the Nursing Home in between 1959 and 1968. The total number is also 43 and of them in four cases certain monetary help was made. First in a case of leprosy—Rs. 213 was given, second a case of stroke, where Rs. 408.50 P. was given, 3rd a case of Cancer to Ram Asis, brother of P.W. 8 where Rs. 246 was given; and in the 4th case of a cook, only funeral expenses were paid. These two Exts. O and O(1) have not been challengd on behalf of the Union. So, the Union's claim to the effect that the Company has all along been paying gratuity on superannuation, resignation, discharge or death is not at all correct. In Ext. L(1), a letter, dated 14th September 1960, the Association asked the Company for a system of gratuity to be announced with properly framed rules. This fact does not indicate that the gratuity is in existence. The request made in Ext. L(1), I hold, is a request to introduce a system of gratuity with rules.

It is true that gratuity should always be granted in addition to provident fund scheme as a second retiral benefit if the financial position of the Company is found to be such as to bear this extra burden. I have discussed the financial condition of the Company while deciding Issue No. 1. There I have held that the financial condition of the Company is not good. I hold also here that the financial condition of the Company is not such as the same would be able to bear the extra financial burden if the system of gratuity is framed in this case. The Company admittedly subscribes liberally towards Provident Fund to the extent of 8⅓ per cent. both basic and D.A. It cannot also be said that the future prospects of the Company are bright. Ext. N(1) is a letter issued by the Chairman, Board of Governors of the Clinic in September, 1964, to the members of the Clinic requesting them to waive the interest receivable by the members on account of debenture loans.

On the evidences on record I hold that there was never any scheme of gratuity in existence in the Clinic. So, I hold that the heir/heirs of late S. C. Mukherji and Shri Kamal Khan are not entitled to any sum, as gratuity monies. Considering the financial position of the Company, I refrain from framing any gratuity scheme for the present. The Issues Nos. 3 and 4 are thus decided.

I now take up Issue No. 2 regarding tiffin or lunch allowance, for decision. Admittedly some tiffin supplementary allowance was in existence previously, in favour of the Nursing Home Staff. This allowance of Rs. 6.75 P. was incorporated in the new wage scale as per the terms of the agreement of the Union in the year 1961. A copy of such settlement has been exhibited as Ext. L(1), dated 12th October 1961. [vide sub-paragraph 2(b) of the said exhibit]. Then from the year 1964, another tiffin allowance of 50 P. per diem was sanctioned in favour of the clerical and equivalent staff of the Clinic [vide Ext. 2(f), dated 21st March 1964, a letter written to the President of the Association by D.W. 1, Mr. Kuller]. Then on the basis of another tripartite agreement Ext. L, dated 12th August 1966 (vide page 2, para 3), tiffin supplement allowance of 25 P. per working day was agreed for the subordinate staff of the Clinic. 50 P. per working day for the clerical staff [vide Ext. 2(f), dated 21st March 1964], was later on increased to 60 P. per working day which is at present in vogue for the clerical and other allied staff. The Association claims that all classes of workmen including the clerical and allied staff and also the subordinate staff should be paid Re. 1 per diem as tiffin or, lunch allowance (vide paragraph 10 of the Association's written statement). Tiffin allowance or free tiffin is an ex-gratia payment and has been recognised as such by the Mercantile Tribunal which Tribunal did not interfere with such allowance in existence either in cash or in kind, but did not introduce any allowance of free tiffin where it did not exist at all. Ext. 1, produced by P.W. 1, the Secretary of I.C.I. Union, shows that .51P. is paid per diem for employees in the

Head Office and .48 P. per head approximately in their Calcutta Regional Office. Ext. 1(d) shows that Parry & Company pays .70 P. per day to clerks and .37P. to subordinate clerks. Ext. K the comparative chart of this Clinic, Deys' Medical Stores and R. G. Kar Medical Hospital regarding the benefits enjoyed by the said concerns, shows that Deys' Medical Stores, of course, pay tiffin supplementary allowance of Re. 1 per working day and that the scales of pay and other benefits enjoyed by the employees of this Clinic are better than those paid by Deys' Medical Stores. It is also to be remembered in this connection that in addition to the tiffin allowance given to the employees of the Clinic, the staff gets two cups of tea per diem, costs whereof will be minimum .25P. per diem. However, on a consideration of the amount of tiffin allowance enjoyed by the employees of Parry & Company and Deys' Medical Stores, I am inclined to enhance the tiffin allowance of clerical staff and allied staff from .60P. per working day to .75P. per working day per head. I further enhance the tiffin allowance of the subordinate staff of the Clinic from .25P. per each working day to .37P. for each working day. Accordingly I hold that the clerical and allied staff should get .75P. per head per each working day as tiffin allowance and that the subordinate staff of this Clinic should also get .37P. per head for each working day to take effect on and from 1st March 1969. Issue No. 2 is thus disposed of.

Then coming to Issue No. 6 regarding leave facilities I state below the chart of holidays and leave enjoyed by the clerical and subordinate staff of the Pharmacy as well as the Nursing Home of the Clinic, as depicted in Ext. P. This chart in Ext. P is admitted. It is as follows :—

EAST INDIA CLINIC PHARMACY

Leave facilities

Category	Prior to 1st January 1964					As from 1st January 1964					Increase

Over 10 years' service	28	10	7*	30@	75	28	10	7*	30	75	No change

*These "Leave days" for festival holidays are added to the Annual Leave.

@ Sick leave may be accumulated up to 12 months in total service.

The Association in paragraphs 16 and 17 of its written statement stated the case in this respect. According to the Union the change in the condition of the service most adversely prejudicing the interests of the workmen concerned is wrong, illegal, malafide, void and as such inoperative. According to the Union the following leave facilities must be granted :

1. Privilege leave—30 days.
2. Sick leave—30 days.
3. Casual leave—10 days.

The Company in paragraph 10 of the written statement contended that prior to January 1964, the Pharmacy Staff used to enjoy all holidays under the Negotiable Instruments Act, 4 National holidays and 30 days' privilege leave with full pay and also casual leave—10 days with full pay. There was, of course, no sick-leave with pay for subordinate staff. Woodlands Nursing Home staff also did not enjoy any holidays under the Negotiable Instruments Act nor any medical holidays.

Now from the aforesaid chart Ext. P, we find that from 1st January 1964, the subordinate staff in the Pharmacy was given 30 days' sick leave with full pay. Of course, in consideration of this fact their privilege leave was reduced from 30 to 21 days. By this change, the total number of paid leave for the subordinate staff was, on the other hand, increased from 56 days to 77 days, on and from 1st January 1964. The Pharmacy Clerks' total leave rose from 77 days to 83 days. It has been contended that there should not be any difference of leave for sub-staff and clerical staff in

the same establishment. Ext. P, of course, shows that even before 1964, the total number of leave for the Pharmacy Clerks, was 77 as against 56 of the subordinate staff. P. W. 3 an employee of Messrs. Parry & Company admitted that in their Company there is slight difference in leave between clerical and subordinate staff. Now, according to the provisions of the Shops and Establishments Act, which Act is applicable in the instant case, the number of days of leave are fixed as follows :—

1. Privilege leave of 14 days with full pay.
2. Sick leave of 14 days with half pay or 7 days with full pay.
3. Annual leave of 10 days with full pay.
4. National holidays—4 days with full pay.
5. Festival holidays—Nil.

Total Annual leave—35 days with full pay.

Thus, it appears that the Company is granting leave much in excess of what is legally due to the employees of this Clinic. Now, on a consideration of the aforesaid facts, appearing from the evidences on record, I am inclined to allow the same number of days, in respect of casual leave to the subordinate staff as well as the clerical and allied staff working in the pharmacy as well as in the Nursing Home, which number I fix as 10. I further hold that the other existing number of holidays and leave as per Ext. P in existence on and from 1st January 1964 should continue and should not be enhanced.

In the result, I hold that the number of holidays and leave now enjoyed by the different employees of this Clinic on and from 1st January 1964 as per Ext. P shall continue to exist, excepting that all classes of employees, both working in the pharmacy as well as in the Nursing Home, shall get equal 10 days' holidays as casual leave per annum to take effect from this year 1969. Issue No. 6 is thus disposed of.

Coming to the remaining Issue No. 5, we find that all the three employees mentioned under the said issue only one Shri S. S. Biswas has been examined as P. W. 7 in this case. Other two employees Shri T. C. Kar and Shri S. C. Das have not been examined in this case to prove their claim of any superior grade as claimed in paragraph 15 of the written statement of the Association. Shri T. C. Kar admittedly is no longer in service of this Clinic and has since joined Bellevue Clinic.

It is nobody's case that any of the dispensers or chemists employed under the Clinic, was ever incharge of the Russel Street Pharmacy at any time. There was always a Manager and an Assistant Manager posted there. The services of the Assistant Manager were dispensed with for reasons of economy some time in December 1966 as deposed by D. W. 1, Shri Kuller. It is also undisputed that before introduction of the present grades in 1964. Shri Kar was transferred to Woodlands Dispensary in August, 1963, when Shri S. S. Biswas was posted at Russel Street Pharmacy and there Shri Kar was given an increment of Rs. 25 per month. This sum of Rs. 25 per month given to Shri Kar, is alleged to be an allowance for being posted as "incharge" of Russel Street Pharmacy. Now, this increment was incorporated with his pay in his the then consolidated pay scale (vide Ext. 5). As this sum was merged with his consolidated pay, when basic and D. A. were separated with effect from 1st January 1964, Shri Kar's basic pay was fixed on the basis of his total pay with D. A. including Rs. 25 and he was fitted in the proper stage in the new grade of basic pay fixed for Chemists. Now Shri Kar continued to get the same money after returning to Russel Street Pharmacy.

There is no record also to show that Shri S. C. Das was ever placed or designated as "incharge". There is further no record to show that there is even a category or post of an incharge Chemist. As Senior incumbent Shri Das was getting higher pay than his other colleague Chemists. As Shri T. C. Kar and Shri S. C. Das have not come forward to support their claim as made in the Association's written statement, I do not consider their case in this order of reference regarding the Association's claim of posting these two employees to any higher grade.

So far as regards Shri S. S. Biswas, it is undisputed that in the year 1956, Shri Biswas a Chemist accepted the job as a wholesale assistant in the Clinic. Then in the year 1960 he was transferred to Woodlands with his the then own salary of Rs. 160 per month in the consolidated grade which grade was also the same for the chemists. Then from January 1961, when normal increment in the consolidated scale was due to him, on his own application, he was given more than one increment in the Grade Rs. 160—5—220—10—280 (vide Ext. 1). According to Shri Biswas (P.W. 7), this increment was given not because he was designated as incharge of Woodlands Pharmacy. Exts. 2, 2(a) and 2(c) show that Shri Biswas was a simple Chemist at Woodlands Pharmacy during the relevant time. It is alleged that Shri Biswas received these two sum of Rs. 50 each as allowances alleged to be the allowances for being incharge of Woodlands Pharmacy. This allegation, I am of opinion, is not correct. It appears from the evidences on record that one allowance of Rs. 50 was given to meet conveyance allowances for going to Woodlands and the other allowance of Rs. 50 per month was a monthly lump sum payment to cover overtime, emergency work, etc., while at Woodlands. Both Shri Das and Shri Biswas are in Russel Street Pharmacy. Shri Das, though a Senior Chemist, he never received any allowance as incharge. Whenever Shri Biswas was retransferred to Russel Street, the aforesaid two allowances of Rs. 50 on each count were actually withdrawn. P.W.7 stated that Shri S. C. Mukherji is now incharge at Russel Street Pharmacy. But no special grade is claimed for Shri Mukherji. The present claim of the Association is nothing but a claim for creating a new category or upper grade of pay for Shri Das and for Shri Biswas as incharge chemists of the pharmacy; but it appears that there was never any post in existence in the two pharmacies run by the Clinic. So, I do

not find any ground in this case to fix any special grades either for Shri Biswas or for Shri S. C. Das and Shri T. C. Kar. The employees mentioned in Issue No. 5 shall get the grades in which they are now placed. Issue No. 5 is thus disposed of.

This is my award.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not, however, be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.
